Storm of Shadows Madeline Freeman, 2021-01-25 The world is unraveling around me and it's all my fault. A single choice during the Bloomington protests set everything into motion. By choosing to protect the demons I've tipped the scale and my world will never be the same. Nate's wedding is two weeks away. Staying at the chancellor's mansion gives me access to classified information but some secrets should stay buried. Allies come from unexpected places and enemies abound around every corner. Unrest among ethereals grows every day but there's nothing I can do trapped in the chancellor's home. Even if I could do something it's likely my intervention will only make things worse. How can I continue on my mission when I'm not sure who I am anymore? How can I help anyone when everything I touch turns to ash? My name is Eden Everdell. Saving my people has always been my mission but I never expected to be the one who needed to be saved. Enter a fast-paced world of angels and demons. Click to buy *Storm of Shadows* today. If they learn the truth I'll pay with my life. Blakethorne Academy is the premier training ground for warriors. Every person here will one day be a member of the angelic Guard. As a demon it's the last place I should ever step foot. But I couldn't exactly say no when they handed me an engraved invitation to attend. Access like this doesn't come around every day. My people are in peril and walking among these angels could give me what I need to save them. I just need to keep my true identity a secret. But that gets harder by the day when the lead Keeper Nate Kouri sets my heart galloping every time he draws near. Getting close to him is dangerous but I've never been one to turn down playing with fire. They think I'm a Blade Keeper one of five elite warriors destined to defeat whatever evil rises. If they learn I'm a demon I'll pay with my life. My name is Eden Everdell. Saving my people has always been my mission but ensuring the survival of my brethren might destroy me. There's only one rule in the world I come from. Keep our existence a secret. Period. The day my sister broke that rule one too many times I knew there would be consequences. I expected us to be sent to one of those schools for troubled kids and maybe Daizlei Academy was in a way. But really it was far more complicated than that. You see I thought that world had forgotten me. Forgotten us. For years we were left alone and one day we weren't. It was only when I got there that I remembered the second rule. Trust no one. Because in our world they would kill me if they knew the
