will make your bones chill Preview In hell In late 2016 a Redditor made a post seeking advice regarding suspicions of his wife cheating Soon after his life would become nothing short of a nightmare I was in a cult Back in 2017 an anonymous Redditor documented their bizarre experience as they were enticed to join a cult Unbeknownst to them their life would soon be thrown in turmoil And three more stories that will keep you awake at night Let s dig together in the darkest corners of internet

DICTATING THE TERMS Shane Michael Snyder,2019 In late 2014 the mainstream press reported about a far right movement that sought to discredit feminist anti racist and trans inclusive interventions in the video games industry its products and its consumer culture Called GamerGate by its devotees the movement began when American game designer Zoe Quinn weathered public harassment after her ex boyfriend published a five part essay falsely alleging she had sex with a game journalist to collect a positive review for her game Depression Quest GamerGate activists launched a smear campaign against Quinn but attempted to absolve themselves of harassment by rebranding the movement as a game consumer revolt against unethical journalists and leftist academics Almost five years later GamerGate continues to grow in membership on its official subreddit r KotakuInAction which is a self governed community hosted on the popular discussion forum based social media platform Reddit Shortly after r KotakuInAction materialized a conscientious objector created the pro feminist r GamerGhazi to resist GamerGate Despite Reddit s massive user base its 1 2 million subreddits and its ubiquity in American culture it remains an underexplored space in the academic literature Academics have neither adequately addressed Reddit s role in promoting far right communities like r KotakuInAction nor the efficacy of using Reddit as a space for staging feminist resistance to such communities Drawing from feminist epistemology intersectionality and masculinity studies this dissertation investigates r KotakuInAction and r GamerGhazi s use of the Reddit interface most particularly its upvoting and downvoting mechanic to shape debates around feminism and critical race issues in American culture The research is based on data collected over the course of six months from discussion threads on each subreddit subreddit wiki documents and the video game Kingdom Come Deliverance Using a mixed methods approach defined by textual analysis of site commentary and wiki documents visual analysis of each subreddit s aesthetic and a video game text and an analysis of Reddit s user interface and algorithm this dissertation addresses the political tensions and contradictions within and between r KotakuInAction and r GamerGhazi This project concludes that Reddit s design and algorithm make it unlikely for intersectional feminist communities to thrive on the platform **Grow Your Business With Reddit** Sharjeel Siddique,2025-01-07 Discover how to tap into one of the internet s most powerful traffic sources Reddit With billions of monthly visitors Reddit isn t just another social media platform it s the front page of the internet But most businesses fail to capitalize on its massive potential missing out on thousands of visitors who could become loyal customers GROW YOUR BUSINESS WITH REDDIT reveals the proven strategies to successfully market your business on Reddit without coming across as spammy or promotional You ll learn How to navigate Reddit s unique culture and build genuine connections Secret techniques to drive massive traffic to your website

or store Ways to find and engage with your target audience Common mistakes to avoid that get businesses banned Step by step strategies to create viral content that Redditors love Whether you re a solopreneur small business owner or marketing professional this practical guide gives you the tools to transform Reddit from an intimidating platform into a powerful engine for business growth Stop leaving money on the table Learn how to harness Reddit s traffic potential the right way and grow your business **An Analysis of the Discourse of Internet Trolling** Emily Merritt,Mount Holyoke College,2012 This study analyzes four online conversations between anonymous users from the social aggregator website Reddit com using tools from the field of discourse analysis The methodology of analysis draws from James Paul Gee s 2010 toolkit for discourse analysis combining linguistic and sociological observations to answer questions about not only the qualities of the language of the conversations but also the functions and results of the use of this language The combination of linguistic and social aspects of discourse includes questions about how participants structure their sentences choose some words over others etc in order to draw attention to certain ideas elicit particular reactions from other participants create identities within an interaction and ultimately shape the social structure of the communication Through this analysis strides have been made in applying methods from textual discourse analysis and conversation analysis to Internet communication for which the boundary between text and orality is much less clear Conclusions have also been made about the role linguistic and paralinguistic features such as sentence structure and prosody play in interactions that involve trolling Generalizations based on the analysis of the data also lead to conclusions about the role trolling can play in influencing online communication in a setting like Reddit com by de incentivizing certain behaviors *Shoring Up the Night* Nicholas Carey,E.
