Earth-Friendly Math Crafts Veronica Thompson, 2018-08-01 Shapes games boxes and more Crafters will love these math themed crafts made from odds and ends you already have on hand Turn cardboard into a working scale use fractions to give rain boots a splash of color and let geometry inspire emoji photo props from recycled paper Color photos and step by step instructions will walk readers through each activity Extend learning with more detailed how to images are accessible online via a QR code

625+ Easy Digital Product Ideas For Earning Passive Income While You Sleep Om Prakash Saini, 2024-02-16 Embark on a journey of endless possibilities with 625 Easy Digital Product Ideas For Earning Passive Income While You Sleep This book is your ultimate guide to unlocking the world of online entrepreneurship without breaking a sweat Packed with over 625 simple and lucrative digital product ideas it covers a wide range of categories like Ebooks and Written Content Online Courses Printables Stock Photos Videos Audio Products Software 3D Models Web Development Resources and more Whether you re a seasoned digital entrepreneur or a newbie looking to make money while you snooze this book has something for everyone Dive into the realm of passive income and discover how to turn your creativity into cash From crafting engaging Ebooks to developing user friendly applications the book is a treasure trove of inspiration With clear and accessible language it breaks down complex ideas making it perfect for anyone ready to take the leap into the world of online income Don t just dream about financial freedom make it a reality with 625 Easy Digital Product Ideas For Earning Passive Income While You Sleep Your journey to success starts now

Unschooling To University Judy L. Arnall, 2018-09-21 School is one option for education homeschooling is the second and unschooling is the third Many parents are frustrated by the school system perhaps because of bullying crowded classrooms and outdated dull online courses Disengaged learners that have no say in their coerced curriculum tend to act out tune out or drop out Education must change and unschooling is the fastest growing alternative method of learning Two decades ago students registered with their local school based on their house address Now with the internet students are borderless Learning can occur anywhere anytime anyway and from anyone including self taught Self directing their education unschoolers learn through Play Projects Reading Volunteering Video games Sports Mentorship Travel Life This book explores the path of 30 unschooled children who self directed all or part of their education and were accepted by universities colleges and other postsecondary schools Most have already graduated What children need most are close relationships parents teachers siblings relatives coaches and mentors within a wider community not just within an institutional school Educational content is everywhere Caring relationships are not Families that embrace unschooling do not have to choose between a quality education and a relaxed connected family lifestyle They can have both

Technology for Littles Carrie Rogers, 2025-04-15 Rooted in original research and the author s experience working with thousands of kids and families this book provides parents of young children ages eight and under with accessible and easy to implement strategies to raise tech savvy children with healthy and safe online habits from the start

How to Avoid Alienating Your Kids in 10 Easy Steps Greg Cynaumon,Dana Cynaumon,1993 The authors offer a user friendly guide that provides answers to the jumble of advice found in the hundreds of books articles videos and classes on parenting They take the best of these resources and add invaluable insights from their own experiences to present the two in the context of God s Word Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954 United States. Internal Revenue Service,1997
