source of sonic warmth An extension of Caffrey's deep but often cautious love for the band Radiohead FAQ presents a fittingly sideways look at what he's dubbed the world's most famous cult band Inside these pages readers will find the essentials of the Radiohead story along with deep dives into seldom explored topics from the humor surrounding the band's music to the numerous hip hop artists who have sampled their songs Each chapter is devoted to a band member plus their producer and sixth member Nigel Godrich revealing comprehensive biographical details about each person The end result is a book custom made for casual Radiohead fans and obsessives alike filled with little known facts new ways of looking at their music and like any music book worth its salt maddening opinions     Seven Seasons of Buffy Glenn Yeffeth,2003-09-10
