Old St. Patrick Catholic Church, 175th Anniversary, Founded 1831, 2006 **Reformed Church Messenger**, 1909 *The Christian Evangelist*, 1901 Music News, 1921 **Continent**, 1915 *Presbyterian Banner*, 1902

Gospel Messenger, 1956 **The Congregationalist**, 1915 Herald and Presbyter, 1916 **The Lutheran Witness**, 1916 **The Watchman-examiner**, 1921 **Saint Anthony Messenger**, 1934 **Between Worlds** Les Switzer, 2025-08-21

Between Worlds expands beyond the focus of the previous volume the British colony of Natal to the more challenging framework of the American Zulu Mission and its Congregational churches in southeastern Africa between the 1880s and 1920s This study rejects arguments by many critical scholars who see Western missionaries at best as adjuncts of the colonial project imposing an understanding of Western Christianity that inevitably clashes with alien and resistant African cultures The mission church relationship in this era also changes dramatically especially in urban environments The church in South Africa becomes the dominant partner from the 1880s and by 1900 the mission has become an adjunct of the church an understanding with far reaching consequences elsewhere in the subcontinent **The Lutheran** George Washington Sandt, 1928 The Christian Leader, 1923 **The Congregationalist and Christian World**, 1915 **The Old Testament in the Life of God's People** Jon Isaak, 2009-06-30

This book celebrates the contributions to Old Testament theology of Elmer A Martens President and Professor of Old Testament at Mennonite Brethren Biblical Seminary Fresno California both positions now Emeritus It includes 3 essays written by Martens himself as well as 15 others written by his former students colleagues friends and even one of his professors The essays are clustered around three topics Christians use of the Old Testament aligning God's people with God's call for justice and addressing the issue of land in the life of God's people each of which reflects an area of special interest to Martens A biographical sketch a list of the honoree's varied publications and indexes are included Martens has had a productive career as teacher author and preacher a career spanning almost six decades and five continents After 40 years of seminary teaching Elmer is known to many as professor He taught his signature class Old Testament theology from 1968 to 2004 at Mennonite Brethren Biblical Seminary shaping an entire generation of preachers and Bible teachers His Old Testament theology textbook *God's Design* now in its third edition continues to be used at the seminary as well as in translation in numerous other schools around the world *Messenger and Visitor*, 1914 The Universalist Leader, 1923 The Stone-Campbell Movement D. Newell Williams, Douglas Allen Foster, Paul M. Blowers, 2013-03-30

The Stone Campbell Movement A Global History tells the story of Christians from around the globe and across time who have sought to witness faithfully to the gospel of reconciliation Transcending theological differences by drawing from all the major streams of the movement this foundational book documents the movement's humble beginnings on the American frontier and growth into international churches of the twenty first century
