Social Studies Content Specialty Test (Cst) Exam Success: Master the Key Vocabulary of the Content Specialty Test in Social Studies Lewis Morris, 2018-07-11 Learn the Secret to Success on the Content Specialty Test in Social Studies Exam Ever wonder why learning comes so easily to some people This remarkable book reveals a system that shows you how to learn faster easier and without frustration By mastering the hidden language of the exam you will be poised to tackle the toughest of questions with ease We've discovered that the key to success on the Social Studies CST Exam lies with mastering the Insider's Language of the subject People who score high on their exams have a strong working vocabulary in the subject tested They know how to decode the exam vocabulary and use this as a model for test success People with a strong Exam Insider's Language consistently Perform better on their NYSTCE CST Exam Learn faster and retain more information Feel more confident in their preparation Perform better when teaching Gain more satisfaction in learning The CST in Social Studies Exam Success Guide is different from traditional review books because it focuses on the exam's Insider's Language It is an outstanding supplement to a traditional review program It helps your preparation for the exam become easier and more efficient The strategies puzzles and questions give you enough exposure to the Insider Language to use it with confidence and make it part of your long term memory The CST in Social Studies Exam Success Guide is an awesome tool to use before a course of study as it will help you develop a strong working Insider's Language before you even begin your review Learn the Secret to Success on CST Exam After nearly 20 years of teaching Lewis Morris discovered a startling fact Most students didn't struggle with the subject they struggled with the language It was never about brains or ability His students simply didn't have the knowledge of the specific language needed to succeed Through experimentation and research he discovered that for any subject there was a list of essential words that when mastered unlocked a student's

ability to progress in the subject Lewis called this set of vocabulary the Insider's Words. When he applied these Insider's Words, the results were incredible. His students began to learn with ease. He was on his way to developing the landmark series of Books and applications to teach this Insider's Language to students around the world. Our books and applications are helpful to any student. They are especially helpful to struggling students, English language learners, ESL, and students beginning a course of study. The strongest students will also enjoy the puzzle and game aspect of the books. In all cases, the books provide an enjoyable break from the tedious and mundane experience of traditional test preparation. Get your copy today. N.B. When viewing our workbooks on a digital device such as a Kindle, we highly recommend the use of a PDF mark up software such as Squid as it will make the experience much more effective and enjoyable. *CST Literacy 065* Sharon A.
