Career Killer A Jake Powell Mystery:

Career Killer Joseph Santilli, 2014-02-14 Have you ever wondered what it would be like to commit the perfect crime Gary Wilson decided to do just that and started on his string of murders Could Detective Jake Powell and his partner Billie Keene stop him before he brought a new level of fear to Sin City or will Gary get away with murder Carolina Konnection Joseph Santilli, 2014-12-23 The Career Killer Gary Wilson committed ten murders in Nevada and Southern Utah He decided to get a fresh start in Raleigh North Carolina when it got too hot in Vegas Jake Powell and his partner Billie Keene received accolades for bringing the killer to justice No one cared if the body found in the wreckage from the explosion could be positively identified Nobody except Jake himself who didn't like the circumstances behind the capture Not having a positive identification of the body or a good reason for Gary's supposed suicide left Jake uneasy His cop sense told him something was not right but no one else would believe him Gary AKA Tom was settling in Raleigh and wasn't missing the excitement of the kill at least not at first Soon similar murders began to occur in Raleigh Detective William Hitchens is assigned the unusual murders and must put two and two together Will Detective Hitchens figure things out before it is too late Will Tom get to the letter Z before he is stopped Will he be stopped at all Will Jake and Billie get the call to assist or will Gary aka Tom escape again

Coveting Keene Joseph Santilli, 2015-09-27 Jake Powell and his partner Billie Keene traveled to Raleigh to assist Detective William Hitchens in capturing the Career Killer While in North Carolina they were unaware of a stranger who was following Billie The stranger had actually been stalking Billie for quite some time and was planning to meet her soon Meanwhile Jake was kicking himself for not following his instincts concerning Gary Wilson the Career Killer He had not been convinced Gary Wilson had really blown himself up When he received a call from Raleigh about a possible copycat he quickly agreed to assist and ultimately learned his instincts had been valid While he and Billie were away other things were happening in Las Vegas Someone calling himself the Poet Laureate had completed his first event and was angry Jake hadn't attempted to stop him He didn't know Jake had never received his poem with the clues which could have saved the victim When the Poet Laureate later learned Jake was in Raleigh he was mad at himself for not knowing Jake was gone He had wasted his first victim and more importantly his first poem For quite some time Billie Keene had the feeling she was being watched She was also continually losing things and couldn't explain the reason for the missing items When she arrived back in Las Vegas she was expecting to be picked up by her neighbor Jane She woke up in a strange room handcuffed to an intricate pulley system She didn't know where she was or who had taken her The stranger was waiting for Billie to wake up and realize how much he had gone through to make her his How long would she need before he could take her out and introduce her to the world as his wife Would he be able to prove his love and give Billie the life she deserved Would Billie escape or stay with her captor Jake got back to Las Vegas and was glad to be home He wanted things to get back to abnormal His first day back was not what he expected His partner and friend Billie Keene was a no show at work and his mail

contained a strange poem Where was Billie Did she take a couple of days off to catch up as Captain Andrews suggested Jake didn't think Billie would take off without letting him know but maybe the Captain was right Had Billie been abducted or had she voluntarily taken some time off If she had been abducted could Jake find her and bring her back As for the poem he'd gotten strange correspondence before but this one seemed different What was the poem about and why had it been sent to him directly
