## **Carolingian Renewal Sources And Heritage:**

**Carolingian Renewal** Donald A. Bullough, 1991 A collection of eight lectures published over the past 20 years in which Bullough medieval history U of St Andrews looks at the ninth century Carolingian court focusing on the pan European cultural elements He combines his own close analysis of texts with the work of other scholars Distributed in the U S by St Martin s Press Annotation copyrighted by Book News Inc Portland OR **The New Cambridge Medieval History** Rosamond McKitterick, 1995 Sample Text **Anglo-Saxon Manuscripts** Helmut Gneuss, Michael Lapidge, 2014-01-01 Anglo Saxon Manuscripts is the first publication to list every surviving manuscript or manuscript fragment written in Anglo Saxon England between the seventh and the eleventh centuries or imported into the country during that time Each of the 1 291 entries in Helmut Gneuss and Michael Lapidge s Bibliographical Handlist not only details the origins contents current location script and decoration of the manuscript but also provides bibliographic entries that list facsimiles editions linguistic analyses and general studies relevant to that manuscript A general bibliography designed to provide full details of author date references cited in the individual entries includes more than 4 000 items Compiled by two of the field s greatest living scholars the Gneuss Lapidge Bibliographical Handlist stands to become the most important single volume research tool to appear in the field since Greenfield and Robinson s Bibliography of Publications on Old English Literature Their achievement in the present book will endure for many decades and serve as a catalyst for new research across several disciplines The Reform of the Frankish Church Martin A. Claussen, 2004 Chrodegang of Metz c 712 766 was a leading figure of the late Merovingian and early Carolingian Church Born to one of the principal aristocratic families in Austrasia he served as referendary of Charles Martel and was appointed bishop of Metz in the 740s As bishop Chrodegang became one of the foremost churchmen in Francia chairing councils founding monasteries and beginning a reform of the lives of the canons of the Metz cathedral This book is a major study in the English language on Chrodegang examining his preoccupation with the creation of communities of faith and concord modelled on the early Church It explores his attempts to unite the Frankish episcopacy his rule for the cathedral clergy in Metz the Regula canonicorum and his introduction of new liturgical practices that sought to transform his see into a hagiopolis a holy city which provided a model for later Carolingian reform

Charlemagne and Rome Joanna Story, 2023 Using a vast range of sources and methods from art history epigraphy palaeography geology archaeology and architectural history to close reading of contemporary texts in prose and verse this book presents a detailed object biography contextualising Hadrian s epitaph in its historical and physical setting at St Peter s over 800 years *Undoing Babel* Tristan Major, 2018-02-05 The Tower of Babel narrative is one of the most memorable accounts of the Bible and its interpretative potential has produced a vast array of literary adaptations Undoing Babel is the first extensive examination of the development of the Babel narrative amongst Anglo Saxon authors from late antiquity to the eleventh century Tristan Major s illuminating and original insight into Anglo Latin and Old English works including the

writings of Aldhelm Bede Alcuin lfric and Wulfstan reveals the cultural ideologies and anxieties that transformed the Babel narrative In doing so Major argues that these Babel narratives provide a basis for understanding the world s ethnic and linguistic diversity as well as a theological stimulus to evangelize non Christian and non European people Undoing Babel highlights the depth of literary innovation in this period and disproves any notion of a single Anglo Saxon reception of biblical sources

**Carolingian Connections** Joanna Story,2003 The Anglo Saxon influence on the Carolingian world has long been recognised by historians of the early medieval period Wilhelm Levison in particular has drawn attention to the importance of the Anglo Saxon contribution to the cultural and ecclesiastical development of Carolingian Francia in the central decades of the eighth century What is much less familiar is the reverse process by which Francia and Carolingian concepts came to influence contemporary Anglo Saxon culture In this book Dr Story offers a major contribution to the subject of medieval cultural exchanges focusing on the degree to which Frankish ideas and concepts were adopted by Anglo Saxon rulers Furthermore by concentrating on the secular context and concepts of secular government as opposed to the more familiar ecclesiastical and missionary focus of Levison s work this book offers a counterweight to the prevailing scholarship providing a much more balanced overview of the subject Through this reassessment based on a close analysis of contemporary manuscripts particularly the Northumbrian sources Dr Story offers a fresh insight into the world of early medieval Europe

**King and Emperor** Janet L. Nelson,2019-07-25 A DAILY TELEGRAPH AND BBC HISTORY MAGAZINE BOOK OF THE YEAR 2019 A remarkable book the dramatic story of a truly extraordinary man brilliant Helen Castor author of *She Wolves* A major new biography of one of the most extraordinary of all rulers and the father of present day Europe Charles King of the Franks is one of the most remarkable figures ever to rule a European super state That is why he is so often called Charles the Great by the French Charlemagne and by the Germans Karl der Grosse His strength of character was felt to be remarkable from early in his long reign Warfare and accident vermin and weather have destroyed much of the evidence for his rule in the twelve centuries since his death but a remarkable amount still survives Janet L Nelson s wonderful new book brings together everything we know about Charlemagne and sifts through the evidence to come as close as we can to understanding the man and his motives Nelson has an extraordinary knowledge of the sources and much of the book is a sort of detective story prying into and interpreting fascinating material and often obdurate scraps from prayerbooks to skeletons gossip to artwork Above all Charles legacy lies in his deeds and their continuing resonance as he shaped duchies and counties rebuilt and founded towns and monasteries and consciously set himself up not just as King of the Franks but as the new Emperor governing the Roman Empire His successors in some ways to the present day have struggled to interpret misinterpret copy or subvert Charlemagne s legacy Nelson gets us as close as we can ever hope to come to the real figure as understood in his own time

Rome, Ravenna, and Venice, 750-1000 Veronica West-Harling,2020-08-20 The richest and most politically complex regions in Italy in the earliest middle ages were the Byzantine sections of the peninsula thanks to their links with the

most coherent early medieval state the Byzantine empire This comparative study of the histories of Rome Ravenna and Venice examines their common Byzantine past since all three escaped incorporation into the Lombard kingdom in the late 7th and early 8th centuries By 750 however Rome and Ravenna s political links with the Byzantine Empire had been irrevocably severed Thus did these cities remain socially and culturally heirs of Byzantium How did their political structures social organisation material culture and identities change Did they become part of the Western political and ideological framework of Italy This study identifies and analyses the ways in which each of these cities preserved the structures of the Late Antique social and cultural world or in which they adapted each and every element available to them to their own needs at various times and in various ways to create a new identity based partly on their Roman heritage and partly on their growing integration with the rest of medieval Italy It tells a story which encompasses the main contemporary narratives documentary evidence recent archaeological discoveries and discussions on art history it follows the markers of status and identity through titles names ethnic groups liturgy and ritual foundation myths representations symbols and topographies of power to shed light on a relatively little known area of early medieval Italian history     The Study of the Bible in the Carolingian Era Celia Martin Chazelle, Burton Van Name Edwards, 2003 This volume draws on recent scholarship which challenges the fifty year old assessment by Beryl Smalley that Carolingian commentaries lacked originality and were worthy simply for transmitted their sources to the more original scholars of the eleventh century The articles contained here show that the Carolingian period was a major turning point in the history of the medieval approach to the Bible     *Affirmations of Royalty* Michael Robert McGrade, 1998     **The Gentle Voices of Teachers** Richard Eugene Sullivan, 1995 Taken together these essays provide a synthesis of current work in Carolingian cultural history a rare commodity in English This volume offers much that is provocative and challenging to scholars of cultural history and of the early Middle Ages but it is presented in a style accessible to the nonspecialist as well The Gentle Voices of Teachers is a major contribution to its field and will appeal to anyone interested in the history of education music religion and art and in the interaction of cultural and political history BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved     *Constructing Authority* Teresa Marie Nava, 2007     The Visualization of the Contents of the Psalms in the Early Middle Ages Lisa Bessette, 2005     **The Liturgical Books of Anglo-Saxon England** Richard William Pfaff, 1995     *Quomodo Cantabimus Canticum?* David Butler Cannata, Gabriela Ilnitchi Currie, Rena Charnin Mueller, John Louis Nádas, 2008 Edward Roesner forged a career in musicology that placed him at the forefront of the discipline This collection of thirteen essays entitled *Quomodo Cantabimus Canticum* taking its name from an important motet text in the Roman de Fauvel and written and edited by a group of scholar friends and students honors not only his rigorous scholarship but also the breadth of his interest and learning Starting with Leofranc Holford-Strevens rationale of how Roesner as Gustave Reese s protégé and successor had no choice but to be a Medievalist Gabriela Ilnitchi Currie s discussion of Eriugenian song and Susan Rankin s expos on the

making of Carolingian chant books the anthology traverses a wide continuum of argument all of which underscores Roesner's particular interests liturgy chant polyphony authenticity the dissemination of texts and ideas over the centuries and things Parisian Andreas Haug brings new perspectives to bear on Notker's Preface and following Roesner's interest in all aspects of the Medieval and Renaissance eras today's leading scholars Rebecca Baltzer Margaret Bent Bonnie Blackburn Susan Boynton Michel Huglo Karl K. Gleason and Joshua Rifkin reexamine previously accepted notions of time and space terminology and transmission within previously explicit texts and tropes The collection comes full circle with Linda Correll Roesner's discussion of a Clara Schumann letter Reese's wedding gift to the Roesner couple and a return to Paris with David Cannata's investigation of Messiaen as Thomistic Christologist The editors were resolute that Roesner provide his own bibliography With every sentence Quomodo Cantabimus Canticum Essays in Honor of Edward H. Roesner a compilation that can only begin to plumb Roesner's facility and relentless pursuit of precision in all areas of academic investigation marvels How Can We Sing the Song For more information see [http://www.corpusmusicae.com/misc/misc\\_cc007.htm](http://www.corpusmusicae.com/misc/misc_cc007.htm) **CURRENT**

**CONTENTS: Arts & Humanities -- Volume 15, Number 6, March 15, 1993.** ,1993 King Alfred's Old English Translation of Pope Gregory the Great's Regula Pastoralis and Its Cultural Context Pope Gregory I, Carolin Schreiber, 2003 King Alfred the Great 871-99 translated Pope Gregory the Great's Regula pastoralis as part of his programme for the revival of learning in Viking age England Three of the surviving six pre-Conquest manuscripts are edited for the first time in substantial parts in this volume the edition is accompanied by a comprehensive commentary The introduction presents a survey of the reception and transmission of the Latin and Old English texts and examines the relationship of the Old English manuscripts Special attention is paid to the linguistic status of Early West Saxon which is discussed in the light of its historical and political context A tenth century revision of the Early West Saxon text in two of the surviving manuscripts is examined in the final chapter **Forschungen zur Theologie und Philosophie des Mittelalters** ,2007 **Kleine Schriften** Horst Weinstock, 2003 Der Band sammelt zwanzig ausgewählte Kleine Schriften des Verfassers zur altmittel und frühneuenglischen Sprache und Literatur Nach dem Grundsatz vom Einfachen zum Schwierigen und vom Einfachen zum Schweren behandeln die Aufsätze und Vorträge Alphabet und Buchstabennamen frühmittelalterliches Bildungswesen Beowulf Forschung spätmittelalterliches Bühnenspiel Exegese nach dem Vierfachen Schriftsinn insulare und festländische Zählweise zwischen 21 und 99 Shakespeares treue Dienergestalten Französisches im Englischen das Great Vowel Shift Lautbeschreibung und Schriftart zwischen Renaissance und Aufklärung Den Band schließen zwei Nachrufe auf die Kollegen Otto Funke und Martin Lehnert sowie ein philologischer Ausblick auf Geist und Sprache
