LtCol Ray Stewart USMC

Con Thien The Hill Of Angels:

Con Thien James P. Coan, 2004-08-10 Con Thien is a memoir history of a much beleaguered Marine outpost of the DMZ. Throughout much of 1967 a remote United States Marine firebase only two miles from the demilitarized zone DMZ captured the attention of the world's media. That artillery scarred outpost was the linchpin of the so-called McNamara Line intended to deter incursions into South Vietnam by the North Vietnamese Army. As such, the fighting along this territory was particularly intense and bloody, and the body count rose daily. Con Thien combines James P. Coan's personal experiences with information taken from archives, interviews with battle participants, and official documents to construct a powerful story of the daily life and combat on the red clay bull's eye known as The Hill of Angels. As a tank platoon leader in Alpha Company 3d Tank Battalion 3d Marine Division, Coan was stationed at Con Thien for eight months during his 1967-68 service in Vietnam and witnessed much of the carnage. Con Thien was heavily bombarded by enemy artillery with impunity because it was located in politically sensitive territory and the U.S. government would not permit direct armed response from Marine tanks. Coan, like many other soldiers, began to feel as though the government was as much the enemy as the NVA, yet he continued to fight for his country with all that he had. In his riveting memoir, Coan depicts the hardships of life in the DMZ and the ineffectiveness of much of the U.S. military effort in Vietnam.

A Hellish Place of Angels Daryl J. Eigen, 2012-06-29 Eighteen-year-old Daryl J. Eigen joined the US Marines to become a man. He quickly discovered he was just another boy on the ground as he fought in the Vietnam War with the Marine Corps 3d and 2d Infantry Battalions in the Third Marine Division. In this memoir, Eigen gives voice to his and his fellow veterans' experiences of the Vietnam War that culminated in September of 1967 in the brutal battle of Con Thien. Through letters written home, blended with published media and real experiences, *A Hellish Place of Angels* provides an in-depth and riveting insight into war and documents a spiritual journey that took one tour of duty to experience and forty-five years to understand. Praise for *A Hellish Place of Angels*: The author employed a unique approach in this riveting memoir, sharing his personal letters home to his family, then comparing what he wrote in those letters home with the horrors of combat that he recalled experiencing, as well as articles published in various publications describing those battles. This brutally honest and realistic portrayal of combat Marines in Vietnam should be required reading in every academic institution. American history class. James P. Coan, author of *Con Thien: The Hill of Angels*. Dr. Daryl Eigen's life really is a true story: the story of a young American who enlisted in the Marines and paid a heavy price in body, mind, and spirit for his intelligence, courage, and convictions. Mark Brady, PhD, author of *The Wisdom of Listening*.
