*A Textbook on Social Psychology and Law in India* Shilpa Ashok Pandit, 2025-08-30 This textbook provides a focused and comprehensive overview of applied social psychology and its interconnections with social policy and selected laws in India. The book takes an interdisciplinary lens to view specific laws: The JJ Act 2016, the POCSO Act 2012, the MH Act 2017, the RPwD Act 2016, and the DV Act 2005 to analyse social policy questions, the research evidence from behavioral and psychological sciences, and learning for professionals in psychology as well as law. The book examines social psychological research on trauma, risk, and resilience to provide readers with a focused discussion of their administrative implementation and therapeutic implications. The book consolidates updated research evidence from several disciplines, including the questions and debates from the Indian context. Several assignments at the end of each chapter help to delve deeper into the topics. The chapters close with implications for psychology, social work, law, and public policy professionals regarding capacity building and trauma-informed care. The book is a valuable guide for students, professionals, and practitioners working at the intersections of psychology, behavioural sciences, social work, law, and public policy in India.
