Concise Guide To Seashore Patrick Hook,2008 *The Concise Guide to Seashore Life* Bob Gibbons,1991

**A Student's Guide to the Seashore** J. D. Fish,S. Fish,1996-06-06 Students and naturalists are not only interested in which species live on the seashore but also about their biology How does a particular species reproduce What is its life cycle A Student s Guide to the Seashore is a unique concise illustrated guide to both the biology and identification of over 600 common and widespread shore animals and plants In this new edition for the first time simple keys are included to allow accurate identification and each species is

beautifully illustrated by the author's line drawings. Together with concise summaries of diagnostic features and notes on biology this is the first comprehensive guide to the seashore giving a fascinating insight into the diversity and complexity of life on the shore. An extensive glossary of scientific terms and complete bibliography ensure that this book will be the premier biological text and identification guide for many years to come. **RSPB Handbook of the Seashore** Maya Plass, 2016-04-21 A brand new RSPB guide to help you become a confident and learned explorer of the seashore. How often have you visited the seashore and wished you knew more about the diverse and alien wildlife found on the UK's coastline? There are incredible stories to discover about our coastal species so if the tantalising glimpses you've caught of this semi aquatic environment between the tides has left you curious to learn more the RSPB Handbook of the Seashore is for you. It will help you to easily identify and learn about the life cycles and anatomy of the species you discover and features useful sections on the tidal cycle, how to read tide tables, where to look, conservation and climate change concerns and who to call should you come across something unexpected on your next beach visit. Featuring over 200 species accounts each with a photo, full description and details of distribution and zonation this brand new guide is written throughout in engaging text suitable for families, students and anyone who loves to visit the seashore. **The Wildlife Watcher's Guide to the Seashore** Trevor Dolby, 1987
