Stockert,Amy Hall,2023-02-15 Get the solid foundation you need to practise nursing in Canada Potter Perry's Canadian Fundamentals of Nursing 7th Edition covers the nursing concepts knowledge research and skills that are essential to professional nursing practice in Canada. The text's full colour easy to use approach addresses the entire scope of nursing care reflecting Canadian standards culture and the latest in evidence informed care. New to this edition are real life case studies and a new chapter on practical nursing in Canada. Based on Potter Perry's respected Fundamentals text and adapted and edited by a team of Canadian nursing experts led by Barbara J. Astle and Wendy Duggleby this book ensures that you understand Canada's health care system and health care issues as well as national nursing practice guidelines. More than 50 nursing skills are presented in a clear two column format that includes steps and rationales to help you learn how and why each skill is performed. The five step nursing process provides a consistent framework for care and is demonstrated in more than 20 care plans. Nursing care plans help you understand the relationship between assessment findings and nursing diagnoses the identification of goals and outcomes the selection of interventions and the process for evaluating care. Planning sections help nurses plan and prioritize care by emphasizing Goals and Outcomes Setting Priorities and Teamwork and Collaboration. More than 20 concept maps show care planning for clients with multiple nursing diagnoses. UNIQUE Critical Thinking Model in each clinical chapter shows you how to apply the nursing process and critical thinking to provide the best care for patients. UNIQUE Critical Thinking Exercises help you to apply essential content. Coverage of interprofessional collaboration includes a focus on patient centered care Indigenous peoples health referencing the Truth and Reconciliation Commission TRC Report the CNA Code of Ethics and Medical Assistance in Dying MAID legislation Evidence Informed Practice boxes provide examples of recent state of the science guidelines for nursing practice. Research Highlight boxes provide abstracts of current nursing research studies and explain the implications for daily practice. Patient Teaching boxes highlight what and how to teach patients and how to evaluate learning.
