**Windows 11 Beginners Guide** Newel Goman, 2021-08-22

Windows 11 is a wonder to see. This new Windows operating system looks and feels too good to be true. Yes, it has a special kind of feeling that makes you connect with it. You will share all the above admirations with me when you set your eyes on Windows 11. It is beautiful like a damsel. The exterior and interior will be highlighted in this guide. Do not be skeptical that as a beginner it looks complicated for your level. Immediately you press the first icon which is the start menu icon among the seven icons at the Taskbar you will no doubt fall in love with this new Windows operating system without much ado. Windows 11 prides itself on several new and modified features and are highlighted in this manual. Beginning from the User Interface UI to the different options available to perform tasks with ease and accessibility. Another critical area of interest in Windows 11 is features available to access third party Apps such as TikTok, Twitter which allow for instant messaging. Other unique features include the Widgets. These widgets allow you to follow news updates while working with your computer not your phone. Are you bother that the numerous goodies packaged inside this new operating system may confuse you? Not to worry this manual highlighted common troubleshooting issues. Did I hear you say Windows 11 is another phone device and also an operating system? Join me to find out if your guess is right.
