Concise Theology J. I. Packer, 2011-07-14 Studying theology doesn't need to be intimidating. Respected theologian and author of *Knowing God* J. I. Packer explains the essentials of biblical belief and Christian doctrine in a style that can be understood easily by any follower of Jesus. With each chapter being the perfect length for busy readers, this summary of Christian teaching covers 94 beliefs from a Reformed perspective. Each one highlights a unique facet of God and His plan for us. Packer offers precise descriptions that are accessible without sacrificing depth, including Scripture verses on each topic for further study. Thoughtfully arranged and refreshingly readable, this resource addresses: How predestination fits into God's redemptive plan; The mystery of the Trinity; The process of sanctification; The purpose of spiritual gifts; Whether you're new to faith or a longtime believer who's ready to dig deeper, discover for yourself why Christian theology is more than just a system of beliefs—it's a way of life. *Concise Theology* James Innell Packer, 1993-05-01

It is accessible to anyone, even those with no familiarity with Christianity or Christian vocabulary. **Life's Biggest Questions** Erik Thoennes, 2011-06-23 If we were to compile the biggest questions pertaining to life, we would face some daunting submissions: Does God exist? What is God like? How will it all end? In this accessible book, Erik Thoennes, a preaching pastor and theology professor, asks and answers 15 of the most important questions we can ask about God, the Bible, Jesus, and the church. Readers will find his answers clear, helpful, and above all, biblical. *Life's Biggest Questions* is a great resource for new Christians and for those looking for concise ways to answer difficult questions. Each chapter concludes with a Scripture verse for meditation and memorization, questions for application and discussion, and suggestions for further study. **Biblical Doctrine** John MacArthur, Richard

The Superiority of an Evangelical Model of Religious Liberty Daniel J. Trippie, 2022-11-14 Religious liberty is America's first freedom. But in recent years, challenges to religious liberty have abounded. For example, some claim that religious freedom promotes intolerance and bigotry, while others contend religious freedom condemns people to hell. And others weaponize

religious liberty for culture warring Nevertheless evangelicals believe that religious liberty is fundamentally a matter of human dignity thus religious liberty is a right we must preserve for all people This book will explore how evangelical anthropology cosmology and eschatology offer the most stable basis for religious freedom Secular and Roman Catholic theories may positively contribute to religious liberty but the evangelical model is superior because it answers fundamental questions left unanswered in other models
