## **Confederate Daughters Coming Of Age During The Civil War:**

**Confederate Daughters** Victoria E. Ott,2008-02-22 Confederate Daughters Coming of Age during the Civil War explores gender age and Confederate identity by examining the lives of teenage daughters of Southern slaveholding secessionist families These young women clung tenaciously to the gender ideals that upheld marriage and motherhood as the fulfillment of female duty and to the racial order of the slaveholding South an institution that defined their status and afforded them material privileges Author Victoria E Ott discusses how the loyalty of young Southern women to the fledgling nation born out of a conservative movement to preserve the status quo brought them into new areas of work new types of civic activism and new rituals of courtship during the Civil War Social norms for daughters of the elite their preparation for their roles as Southern women and their material and emotional connections to the slaveholding class changed drastically during the Civil War When differences between the North and South proved irreconcilable Southern daughters demonstrated extraordinary agency in seeking to protect their futures as wives mothers and slaveholders From a position of young womanhood and privilege they threw their support behind the movement to create a Confederate identity which was in turn shaped by their participation in the secession movement and the war effort Their political engagement is evident from their knowledge of military battles and was expressed through their clothing social activities relationships with peers and interactions with Union soldiers Confederate Daughters also reveals how these young women in an effort to sustain their families throughout the war adjusted to new domestic duties confronting the loss of slaves and other financial hardships by seeking paid work outside their homes Drawing on their personal and published recollections of the war slavery and the Old South Ott argues that young women created a unique female identity different from that of older Southern women the Confederate bellehood This transformative female identity was an important aspect of the Lost Cause mythology the version of the conflict that focused on Southern nationalism and bridged the cultural gap between the antebellum and postbellum periods Augmented by twelve illustrations this book offers a generational understanding of the transitional nature of wartime and its effects on women s self perceptions Confederate Daughters identifies the experiences of these teenage daughters as making a significant contribution to the new woman in the New South

**Seven Myths of the Civil War** Wesley Moody,Alfred J. Andrea,Andrew Holt,2017-09-01 Readers of this book who thought they knew a lot about the U S Civil War will discover that much of what they knew is wrong For readers whose previous knowledge is sketchy but whose desire to learn is strong the separation of myth from reality is an important step toward mastering the subject The essays will generate lively discussion and new insights James M McPherson Professor Emeritus Princeton University [Journal of the Civil War Era](#) William A. Blair,2012-12-01 The Journal of the Civil War Era Volume 2 Number 4 December 2012 TABLE OF CONTENTS Articles Mark Fleszar My Laborers in Haiti are not Slaves Proslavery Fictions and a Black Colonization Experiment on the Northern Coast 1835 1846 Jarret Ruminski Tradyville The Contraband Trade and the Problem of Loyalty in Civil War Mississippi K Stephen

Prince Legitimacy and Interventionism Northern Republicans the Terrible Carpetbagger and the Retreat from Reconstruction Review Essay Roseanne Currarino Toward a History of Cultural Economy Professional Notes T Lloyd Benson Geohistory Democratizing the Landscape of Battle Book Reviews Books Received Notes on Contributors The Journal of the Civil War Era takes advantage of the flowering of research on the many issues raised by the sectional crisis war Reconstruction and memory of the conflict while bringing fresh understanding to the struggles that defined the period and by extension the course of American history in the nineteenth century     *Women in Civil War Texas* Deborah M. Liles, Angela

Boswell, 2016-10-15 *Women in Civil War Texas* is the first book dedicated to the unique experiences of Texas women during the Civil War. It fills the literary void in Texas women's history during this time. It connects Texas women's lives to southern women's history and shares the diversity of experiences of women in Texas during the Civil War. An introductory essay situates the anthology within both Civil War and Texas women's history. Contributors explore Texas women and their vocal support for secession and in support of a war coping with their husbands' wartime absences. The importance of letter writing as a means of connecting families and how pro Union sentiment caused serious difficulties for women. They also analyze the effects of ethnicity focusing on African American, German, and Tejana women's experiences. Finally, two essays examine the problem of refugee women in east Texas and the dangers facing western frontier women. These essays develop the historical understanding of what it meant to be a Texas woman during the Civil War and also contribute to a deeper understanding of the complexity of the war and its effects     *Fateful Lightning* Allen C. Guelzo, 2012-05-18

The Civil War is the greatest trauma ever experienced by the American nation, a four year paroxysm of violence that left in its wake more than 600 000 dead, more than 2 million refugees, and the destruction in modern dollars of more than 700 billion in property. The war also sparked some of the most heroic moments in American history and enshrined a galaxy of American heroes. Above all, it permanently ended the practice of slavery and proved in an age of resurgent monarchies that a liberal democracy could survive the most frightful of challenges. In *Fateful Lightning*, two-time Lincoln Prize winning historian Allen C. Guelzo offers a marvelous portrait of the Civil War and its era, covering not only the major figures and epic battles but also politics, religion, gender, race, diplomacy, and technology. And unlike other surveys of the Civil War era, it extends the reader's vista to include the postwar Reconstruction period and discusses the modern day legacy of the Civil War in American literature and popular culture. Guelzo also puts the conflict in a global perspective, underscoring Americans' acute sense of the vulnerability of their republic in a world of monarchies. He examines the strategy, the tactics, and especially the logistics of the Civil War and brings the most recent historical thinking to bear on emancipation, the presidency, and the war powers, the blockade and international law, and the role of intellectuals North and South. Written by a leading authority on our nation's most searing crisis, *Fateful Lightning* offers a vivid and original account of an event whose echoes continue with Americans to this day.

**Southern First Ladies** Katherine A. Sibley, 2021-01-20 *Southern First Ladies* explores the ways in which geographical

and cultural backgrounds molded a group of influential first ladies. The contributors to this volume use the lens of Southernness to define and better understand the cultural attributes, characteristics, actions, and activism of seventeen first ladies from Martha Washington to Laura Bush. The first ladies defined in this volume as Southern were either all born in the South, specifically the former states of the Confederacy, or their slaveholding neighbors like Missouri, or else lived in those states for a significant portion of their adult lives. Women like Julia Tyler, Hillary Clinton, and Barbara Bush, Southern climes indelibly shaped these women and in turn a number of enduring White House traditions. Along with the standards of proper behavior and ceremonial customs and hospitality demanded by notions of Southern white womanhood, some of which they successfully resisted or subverted, early first ladies including Martha Washington, Dolley Madison, Julia Tyler, and Sarah Polk were also shaped by racially based societal and cultural constraints typical of the eighteenth and nineteenth centuries, some of which have persisted to the present day. The first nine women in this volume, from Martha Washington to Julia Grant, all enslaved others during their lives inside or outside the White House. Among the seven first ladies in the book's last section, Ellen Wilson, for example, was profoundly influenced by the reformist ethos of the Progressive Era and set an example for activism that five of her Southern successors—Lady Bird Johnson, Rosalynn Carter, Barbara Bush, Hillary Clinton, and Laura Bush—all emulated. By contrast, Ellen's immediate successor in the White House, Edith Wilson, enthusiastically celebrated the Lost Cause. *Southern First Ladies* is the first volume to comprehensively emphasize the significance of Southernness and a Southern background in the history and work of first ladies and Southernness' long-standing influence for the development of this position in the White House as well as outside of it.

**Marching with Sherman** Mark H. Dunkelman, 2012-04-02

*Marching with Sherman: Through Georgia and the Carolinas with the 154th New York* presents an innovative and provocative study of the most notorious campaigns of the Civil War. Union General William Tecumseh Sherman's devastating 1864 March to the Sea and the 1865 Carolinas Campaign. The book follows the 154th New York regiment through three states and chronicles 150 years from the start of the campaigns to their impact today. Mark H. Dunkelman expands on the brief accounts of Sherman's marches found in regimental histories with an in-depth look at how one northern unit participated in the campaigns and how they remembered them decades later. Dunkelman also includes the often overlooked perspective of southerners, most of them women, who encountered the soldiers of the 154th New York. In examining the postwar reminiscences of those staunch Confederate daughters, Dunkelman identifies the myths and legends that have flourished in the South for more than a century. *Marching with Sherman* concludes with Dunkelman's own trip along the 154th New York's route through Dixie, echoing the accounts of previous travelers and examining the memories of the marches that linger today.

**The Yellowhammer War** Kenneth W. Noe, 2013. Many books about Alabama's role in the Civil War have focused serious attention on the military and political history of the war. *The Yellowhammer War* likewise examines the military and political history of Alabama's Civil War contributions but it also covers areas of study usually neglected by centennial scholars such as

race women the home front and Reconstruction From Patricia A Hoskins s look at Jews in Alabama during the Civil War and Jennifer Ann Newman Trevi o s examination of white women s attitudes during secession to Harriet E Amos Doss s study of the reaction of Alabamians to Lincoln s Assassination and Jason J Battles s essay on the Freedman s Bureau readers are treated to a broader canvas of topics on the Civil War and the state CONTRIBUTORS Jason J Battles Lonnie A Burnett Harriet E Amos Doss Bertis English Michael W Fitzgerald Jennifer Lynn Gross Patricia A Hoskins Kenneth W Noe Victoria E Ott Terry L Seip Ben H **The Register of the Kentucky Historical Society** Kentucky Historical Society,1921 **The North Carolina Historical Review** ,2011 *Tennessee Historical Quarterly* ,2010 **The Publishers Weekly** ,2008 **A History of the State of Oklahoma** Luther B. Hill,1909 Publications of the State of Illinois ,2014 Publications of the State of Illinois Illinois. Office of Secretary of State,2008 *The Devil, the Lovers, & Me* Kimberlee Auerbach,2007 The author describes her survival of an abusive relationship her mother s mid life sexual proclivities and the interference of friends and her father during a promising new romance challenges that prompted her visit to an atypical tarot card reader **The United Daughters of the Confederacy Magazine** ,2004 *OAH Annual Meeting* Organization of American Historians.
