## **Confederates In The Tropics Charles Swetts Travelogue Of 1868:**

**Confederates in the Tropics** Sharon Hartman Strom,2011 *Confederates in the Tropics* Sharon Hartman Strom,Frederick Stirton Weaver,2011-05-17 Charles Swett 1828 1910 was a prosperous Vicksburg merchant and small plantation owner who was reluctantly drawn into secession but then rallied behind the Confederate cause serving with distinction in the Confederate Army After the war some of Swett s peers from Mississippi and other southern states invited him to explore the possibility of settling in British Honduras or the Republic of Honduras *Confederates in the Tropics* uses Swett s 1868 travelogue to explore the motives of would be Confederate migrants fleeing defeat and Reconstruction in the United States South The authors make a comparative analysis of Confederate communities in Latin America and use Charles Swett s life to illustrate the travails and hopes of the period for both Black and white people Swett s diary is presented here in its entirety in a clear accessible format edited for contemporary readers Swett s style except for his passionate prefatory remarks is a remarkably unsentimental even scientific look at Belize and Honduras more akin to a field report than a romantic travel account In a final section the authors suggest why the expatriate communities of white Southerners nearly always failed and they follow up on Swett s life in Mississippi in a way that sheds light on why disgruntled Confederates decided to remain in or eventually to return to the US South

**Confederates in the Tropics** Sharon Hartman Strom,2011 Charles Swett 1828 1910 was a prosperous Vicksburg merchant and small plantation owner who was reluctantly drawn into secession but then rallied behind the Confederate cause serving with distinction in the Confederate Army After the war some of Swe *Confederates in the Tropics* Sharon Hartman Strom,Frederick Stirton Weaver,2011-05-17 Charles Swett 1828 1910 was a prosperous Vicksburg merchant and small plantation owner who was reluctantly drawn into secession but then rallied behind the Confederate cause serving with distinction in the Confederate Army After the war some of Swett s peers from Mississippi and other southern states invited him to explore the possibility of settling in British Honduras or the Republic of Honduras *Confederates in the Tropics* uses Swett s 1868 travelogue to explore the motives of would be Confederate migrants fleeing defeat and Reconstruction in the United States South The authors make a comparative analysis of Confederate communities in Latin America and use Charles Swett s life to illustrate the travails and hopes of the period for both Black and white people Swett s diary is presented here in its entirety in a clear accessible format edited for contemporary readers Swett s style except for his passionate prefatory remarks is a remarkably unsentimental even scientific look at Belize and Honduras more akin to a field report than a romantic travel account In a final section the authors suggest why the expatriate communities of white Southerners nearly always failed and they follow up on Swett s life in Mississippi in a way that sheds light on why disgruntled Confederates decided to remain in or eventually to return to the US South

A Different Manifest Destiny Claire M. Wolnisty,2020-10-01 The South possessed an extensive history of looking outward specifically southward to solve internal tensions over slavery and economic competition in the 1820s through the 1860s

Nineteenth century southerners invested in their futures and in their identity as southerners when they expanded their economic and proslavery connections to Latin America seeking to establish a vast empire rooted in slavery that stretched southward to Brazil and westward to the Pacific Ocean For these modern expansionists failure to cement those connections meant nothing less than the death of the South In *A Different Manifest Destiny* Claire M Wolnisty explores how elite white U S southerners positioned themselves as modern individuals engaged in struggles for transnational power from the antebellum to the Civil War era By focusing on three groups of people not often studied together filibusters commercial expansionists and postwar southern emigrants Wolnisty complicates traditional narratives about Civil War era southern identities and the development of Manifest Destiny She traces the ways southerners capitalized on Latin American connections to promote visions of modernity compatible with slave labor and explores how southern Latin American networks spanned the years of the Civil War

**The Southern Exodus to Mexico** Todd W. Wahlstrom, 2015-01-01 After the Civil War a handful of former Confederate leaders joined forces with the Mexican emperor Maximilian von Hapsburg to colonize Mexico with former American slaveholders Their plan was to develop commercial agriculture in the Mexican state of Coahuila under the guidance of former slaveholders with former slaves providing the bulk of the labor force By developing these new centers of agricultural production and commercial exchange the Mexican government hoped to open up new markets and by extending the few already existing railroads in the region also spur further development The Southern Exodus to Mexico considers the experiences of both white southern elites and common white and black southern farmers and laborers who moved to Mexico during this period Todd W Wahlstrom examines in particular how the endemic warfare raids and violence along the borderlands of Texas and Coahuila affected the colonization effort Ultimately Native groups such as the Comanches Kiowas Apaches and Kickapoos along with local Mexicans prevented southern colonies from taking hold in the region where local tradition and careful balances of power negotiated over centuries held more sway than large nationalistic or economic forces This study of the transcultural tensions and conflicts in this region provides new perspectives for the historical assessment of this period of Mexican and American history

**Journal of the Civil War Era** William A. Blair, 2012-12-01 The Journal of the Civil War Era Volume 2 Number 4 December 2012 TABLE OF CONTENTS Articles Mark Fleszar My Laborers in Haiti are not Slaves Proslavery Fictions and a Black Colonization Experiment on the Northern Coast 1835 1846 Jarret Ruminski Tradville The Contraband Trade and the Problem of Loyalty in Civil War Mississippi K Stephen Prince Legitimacy and Interventionism Northern Republicans the Terrible Carpetbagger and the Retreat from Reconstruction Review Essay Roseanne Currarino Toward a History of Cultural Economy Professional Notes T Lloyd Benson Geohistory Democratizing the Landscape of Battle Book Reviews Books Received Notes on Contributors The Journal of the Civil War Era takes advantage of the flowering of research on the many issues raised by the sectional crisis war Reconstruction and memory of the conflict while bringing fresh understanding to the struggles that defined the period and by extension the

course of American history in the nineteenth century      *Empire on Edge* Rajeshwari Dutt,2020-03-05 Reveals how British officials attempted to understand and impose order on northern Belize during the second half of the nineteenth century

Fortune, Fame, and Desire Sharon Hartman Strom,2016-09-19 In the middle decades of the nineteenth century a widening set of opportunities in the public sphere opened up for ambitious men and women in the loosely structured stratum of the middle class Much of the attention to the marketplace between 1820 and 1910 has described entrepreneurship and the beginnings of a more sophisticated economy but not much has been paid to the commodification of the self This book sets out to explore the promotion of the self in the rapidly growing economy and political flux of the nineteenth century Its geography extends through New England New York the new states of the Midwest and the great cities of the Mid Atlantic with an occasional trip to New Orleans San Francisco and Los Angeles The approach is biographical using representative middle class figures to illuminate cultural and social history Aided by more cheaply produced print and the clamor of the American public for entertainment both high and low brow the figures described in this book strove for fame sometimes achieved good fortune and acted out desires for sexual pleasure political success and achieving the ideal in society In doing so they questioned and rearranged the ideas of the early Republic Poised between the dying class structure of the late eighteenth century and the rise of a more hierarchical one in the early twentieth they took advantage of a society in flux to make their mark on American culture      **The Writers Directory** ,2013
