Situating Scandinavian Poetry in the Computational Network Environment Hans Kristian Strandstuen Rustad, 2023-09-05

How to grasp poetry in its contemporary digital situation a situation wherein poetry travels across digital and analogue media platforms and intended or not collaborates with computers Situating Scandinavian Poetry in the Computational Network environment investigates how heterogeneous forms of poetry in Scandinavia interact with and work in a digital media environment how digital programmable and network media intervene with and shape new poetic forms or remediate older forms of poetry and how digital and digitalized poetry through its self reflexivity sheds light on digital media technology and its role for poetry and potentially for literature and aesthetics more in general In doing so it also argues for the importance of close reading poetry in digital media It includes an historical and theoretical approach to poetry in digital media and analysis of poetic works in Scandinavia The book is written within the framework of posthumanism and what N Katherine Hayles calls technogenesis and makes up the argument that contemporary poetry constitutes and is constituted by a computational network environment of human and non human subjects wherein poems travel in an egalitarian media ecology The book is relevant for researchers and students in the field of poetry students and researchers in the field of literary studies media studies and digital culture studies and teachers interested in presenting newer forms of poetry for their students

Social Media Marketing Algorithms 3 Books In 1 Jordan Connery, 2021-03-04 Social Media Marketing Algorithms Social media is a rapidly growing arena for everything from the posting of videos to car sales so it should come as no surprise that big business is growing on there too However what can it actually do to help grow your business Before selling any product you have to get your name out there and spread the word of your new social media presence By adding links to your social media accounts on your company website you are encouraging people to follow you online in order to get the most up to date information as soon as you release it When you put your company website on your social media profile it gives your clients a way to go directly to your website This will allow your customers to contact your company for more information and it is more likely to create online buyers Social media is the main way that companies are beginning to show involvement with their customers and community by promoting events they are sponsoring or releasing news to their clients Real time communication has become extremely important for customer satisfaction in today's businesses People don't want to wait for answers to their questions or for help resolving any issue they might have With social media people have direct access to comments and post feedback for companies making any kind of wait time for results obsolete Instagram Marketing Algorithms Secrets Instagram is one of if not THE best platforms you can use to market your business It provides any user a variety of ways to create content and to reach an audience For a business these are all that you would need to make people aware of your brand create relationships with them retain existing customers manage brand reputation and lead prospective customers to channels for conversion Instagram is extremely unique in so many ways and is the combination of almost all the
