

Carl Rogers S

Carl R. Rogers

Carl Rogers S:

Carl Rogers on Personal Power Carl Ransom Rogers, 1977 CONTENT The politics of the helping professions the new family and the old The revolution in marriage and partnerships Power or persons Two trends in education The politics of administration The person centered approach and the oppressed Resolving intercultural tensions A beginning A person centered workshop Its planning and fruition The power of the powerless Without jealousy A political base The actualizing tendency The emerging person Spearhead of the quiet revolution **Carl Rogers** Brian Thorne, 2003-04-21 As founder of the person centred approach Carl Rogers 1902 1987 is an influential psychologist and psychotherapist Providing insights into his life and an explanation of his major theoretical ideas this book offers an introduction for those practitioners and students of the person centred approach **The Life and Work of Carl Rogers** Howard Kirschenbaum, 2021-07-22 **The ^AHumanistic Psychology of Carl Rogers** Stephen A. Joseph, 2025-03-18 This book presents a holistic overview of the work of renowned psychologist Carl Rogers known for developing the person centered approach It positions Rogers humanistic approach clearly within contemporary psychology and details its continuing applications in the wider field of human flourishing In doing so Stephen A Joseph offers a critical perspective but ultimately a peaceful synergy between Rogers person centered approach and the field of positive psychology The book provides a comprehensive view on why Rogers theory matters the challenges in embracing it and how to live the person centered approach in practice *The Carl Rogers Reader* Carl Ransom Rogers, 1989 Selected from a body of Rogers work essays deal with his approach to psychotherapy theory and research and philosophies Beyond Carl Rogers David Brazier, 1993 What is evident from this book is how widely Carl Rogers ideas have spread throughout the humanistic scene and how valuable they have been Self Society a stimulating enjoyable book and I recommend it to anyone interested in the person centred approach Counselling This book is edited by David Brazier and includes his chapter The Necessary Condition is Love A Therapist's View of Personal Goals Carl R. Rogers, 2020-06-25 This pamphlet by Carl Rogers who developed what he called client centered therapy briefly lays out a pathway of life that values self awareness and acceptance being the self one truly is an authenticity that can be the basis of creativity He observes that this is the life goal that people find as they participate in therapy that frees up their choices While this may by now be familiar to many it is a concise and clear statement that could be helpful to others Our culture still imposes rigid expectations and judgments on us This is not explicitly about a spiritual life but it is a nice introduction to Carl Rogers enduring insights Print ed *On Becoming a Person* Carl Ransom Rogers, 1961 Abstract A psychotherapist s clinical dealings with personal counseling and interpersonal relationships from a context of personal experience and learning is reviewed in a collection of papers designed for professionals in many disciplines Understanding of person centered concepts such as self actualization individual growth and personal goals may lead to lessening of tensions in human relations The therapeutic relationship facilitates the process of growth and change in a client Characteristics of

helping relationships are described The therapist expresses his view of how a fully functioning person behaves Research in client centered psychotherapy is discussed Psychotherapy has potential implications for education interpersonal communication family life and personal creativity Behavioral sciences should play a constructive role in personal development

A Way of Being Carl Ransom Rogers, 1995 Rogers founder of the humanistic psychology movement and father of client centered therapy traces his professional development from the sixties to the eighties and ends with a person centered prophecy in which he calls for a more humane future Back cover Carl Rogers' Helping System Godfrey T Barrett-Lennard, 1998-11-20 This book is a monumental achievement and person centred practitioners will be indebted to Goff Barrett Lennard for many years to come He has written not only a definitive study of the history of person centred approach what he calls a report of the evolutionary course of a human science but also an accompanying commentary which is unfailingly enlightening sometimes provocative and occasional lyrical Brian Thorne Emeritus Professor of Counselling University of East Anglia and Co Founder Norwich Centre I highly recommend this book as a reference source of major import as bibliography as history as art and as a complex discussion of questions that plague the person centred practitioner and the client centred therapist The Person Centered Journal If you only ever buy one book about the Person Centred Approach other than those written by Rogers himself this is the one It is a staggering achievement by one of the most knowledgeable writers in the field PCP Reviews This book is a gem and should have wide appeal It is an excellent introduction to person centred psychology written in accessible style and it takes the reader beyond the simplicity often confused with naivety Goff Barrett Lennard reveals a sophisticated complexity that challenges us to view the person with fresh eyes and an open mind Tony Merry University of East London I strongly recommend this book as a sophisticated treatment of the client or person centred approach to therapy and its applications to areas outside therapy It is also a useful overview of research on all aspects of person centred ideas Psychotherapy Research This book is not a single meal in itself but a positive larder containing every imaginable staple food and condiment all exquisitely and thoroughly researched The book took Godfrey T Barrett Lennard 20 years to write and it will stand as a reference text for person centred specialists for longer than that an essential reference text and a pantry full of delicious surprises Counselling and Psychotherapy The Journal of the British Association for Counselling and Psychotherapy Probably the most important piece of work on the person centred approach to have emerged in recent years an essential source of reference for anyone with a serious interest in the person centred approach Counselling News Written by an ex student and long time colleague of Carl Rogers this in depth and challenging book charts the development of person centred therapy from its origins through to the present day Godfrey T Barrett Lennard traces the central concepts and key figures within the movement set against the contemporary historical social and political context As an integrated overview of the person centred approach Carl Rogers Helping System presents a wealth of fascinating ideas and information which is linked to a fresh incisive account of the unfolding theory

process and research Carl Rogers, Control Freak Kevin Everett FitzMaurice, 2012-04-07 This book is about the work of Carl Rogers not the life of Carl Rogers The personal problems Carl Rogers had with alcohol and his marriage have nothing to do with his counseling method This brief book focuses on the method of counseling that he invented Method and technique are not to be confused with counseling theory A counseling theory is a set of guiding principles that structure the course of counseling A method or technique is a strategy for eliciting a response from a client Counseling theories therefore provide general directions for achieving specific goals while methods or techniques are specific strategies for promoting a change or curative response from a client Carl Rogers gave the counseling world its most effective efficient and advanced method Unfortunately Rogers feared to face the true nature of his method and buried it under false philosophy and theory that diametrically opposed it Rogers betrayal of his method has led to a corruption of his method causing it to be diluted at best and in many cases lost We must separate the theory of Carl Rogers from the method of Carl Rogers to resurrect and preserve his superior method This book will help you discover the true nature of the method But ultimately you must work this out for yourself You must again watch the videos of Rogers at work You must again analyze his method You must experiment and test until you are certain from your own examination what the nature of the method is If you wish to debate Rogers theories then you are missing the point The Rogerian Method works wonders and needs to be salvaged and seen for what it is separate from all theory and philosophy **Carl Rogers** Richard Isadore Evans, 1975 **Change is the Norm** Carl Ransom Rogers, 1972 Rogers talks about various aspects of change and his firm belief in young people whom he considers to be for change **An Analysis of the Philosophical Compatibility of Carl Rogers' Client-centered Counseling and John Dewey's Pragmatism** Louise S. Idomir, John Dewey, Carl Ransom Rogers, 1966 Summary of Carl Rogers's On Becoming A Person Everest Media, 2022-03-08T22:59:00Z Please note This is a companion version not the original book

Sample Book Insights

- 1 I am a psychologist who has spent much of his career studying psychotherapy My book Client Centered Therapy is about the suffering and the hope the anxiety and the satisfaction that fills each therapist's counseling room It is about the unique relationship each therapist forms with each client and the common elements that they all share
- 2 I was raised in a home marked by close family ties a very strict and uncompromising religious and ethical atmosphere and a worship of the virtue of hard work I was fascinated by the night flying moths and I became an authority on the gorgeous Luna Cecropia and other moths that inhabited our woods
- 3 I was a history major at Wisconsin when I fell in love with a girl whom I had known for many years I was married with the reluctant consent of my parents so that we could go to graduate school together
- 4 I was a member of a group that petitioned the administration to allow them to set up a seminar for credit a seminar with no instructor where the curriculum would be composed of their own questions The seminary was understandably perplexed by this but they granted our petition

Positive Regard Melvin Suhd, 1995 What makes a certain person's life remarkable and influential In the case of Carl Rogers the revolutionary and widely published humanistic

psychologist this book offers several factors his ideas his way of relating to colleagues friends and family and simply his way of being Likewise the eight other people featured here are notable for the same reasons Connecting well with people is characteristic of each of them Thomas Gordon Maureen O Hara Ruth Sanford John Vasconcellos Art Combs David Rogers Natalie Rogers Haruko Tsuge Inspired in part by knowing or studying with Carl Rogers they have created their own ideas and ventures to help many others Their stories make this a multiple biography a mosaic of stories about people who helped change the world and the way we feel about ourselves *Being Empathic* Steve Vincent, 2005 Drawing extensively on the work of Carl Rogers and his own experience Vincent a specialist in the person centered approach in therapies analyzes the therapist's role in empathy whether creating an environment for it practicing it encouraging clients to develop it or accepting it from others Vincent concentrates on the concepts posited by Rogers but includes commentary on his own experience in such topics as why empathetic understanding is not a technique how it functions in the necessary and specific conditions and what it does in the therapeutic process In the process he is very honest about conscious empathy in both its potential and its pitfalls Annotation 2005 Book News Inc Portland OR booknews.com **Sands and McDougall's Directory of Victoria ... Melbourne and Suburban Sections ... Country Section** Sands & McDougall, Melbourne, 1913

Client-centered Therapy Carl Ransom Rogers, 1979 This book crystallizes the progress which has been made in the last ten years in the development of techniques and basic philosophy of counselling **Becoming a Person** Carl Rogers, 2022-03-23
