Latina Style, 1999 *Linguistic Battles in Trademark Disputes* Roger Shuy, 2002-10-11 Battles over knowledge authority and power are often fought when two different fields address the same issues This book takes an important step towards showing how quite different fields law and linguistics can work together effectively in trademark cases After presenting the basics of each field readers are shown how linguistics was used in ten trademark lawsuits five of which had opposing linguists on each side Finally helpful suggestions are given to both linguists and lawyers The American Association of Petroleum Geologists Bulletin American Association of Petroleum Geologists, 1971 *Game-Changing Strategies* Constantinos C. Markides, 2013-01-03 Game Changing Strategies explains the reasons behind this puzzle and presents practical ideas on how established firms could not only discover new radical business models but also grow them next to their existing business models The challenge for established firms is not the discovery of a new business model the real challenge is how to make two business models coexist This book offers advice on how established firms can implement structures and processes that make the new business model less conflicting and more palatable to the existing business
