Carolina Genesis Beyond The Color Line

John Oller

Carolina Genesis Beyond The Color Line:

Carolina Genesis Scott Withrow, 2010 Some Americans pretend that a watertight line separates the races But most know that millions of mixed heritage families crossed from one race to another over the past four centuries Every essay in this collection tells such a tale Each speaks with a different style and to different interests But taken together the seven articles paint a portrait unsurpassed in the literature of migrations challenges and triumphs over racial obstacles Stacy Webb tells of families of mixed ancestry who pioneered westward paths from the Carolinas into the colonial wilderness paths now known as Cumberland Road Natchez Trace Three Chopped Way and others They migrated not in search of wealth or exploration but to escape the injustice of America's hardening racial barrier Govinda Sanyal's astonishing research uses mtDNA markers to trace a single female lineage that winds its way through prehistoric Yemen North Africa Moorish Spain the Sephardic diaspora colonial Mexico and finally escapes the Inquisition by assimilating into a Native American tribe ending up in South Carolina He fleshes out the DNA thread with documented genealogy so we get to know their names their lives their struggles Cyndie Goins Hoelscher focuses on a specific family that scattered from the Carolinas One branch fled to Texas becoming friends with Sam Houston and participating in the founding of that state Other bands fought in the war of 1812 or migrated to Florida or the Gulf coast Nowadays Goins descendants can be found in nearly every state and are of nearly every race Scott Withrow the collection's editor concentrates on the saga of one individual of mixed ancestry Joseph Willis was born into a community of color in South Carolina He migrated to Louisiana was accepted as a White man founded one of the first churches in the area and became one of the region's best loved and most fondly remembered Christian ministers S Pony Hill recounts the historic struggles of South Carolina's Cheraw tribe in a reprint of Chapter 5 of his book *Strangers in Their Own Land* Marvin Jones tells the history of the Winton Triangle a section of North Carolina populated by successful families of mixed ancestry from colonial times until the mid 20th century They fought for the Union founded schools built businesses and thrived through adversity until the civil rights movement of 1955-65 ended legal segregation K Paul Johnson traces the history of North Carolina's antebellum Quakers The once strong community dissolved as it grew morally opposed to slavery Those who stayed true to their faith migrated north Those who remained slaveowners left the church The worst stress was the Nat Turner event Its aftermath helped turn the previously permeable color line into the harsh endogamous barrier that exists today

The Swamp Fox John Oller, 2016-10-25 A popular comprehensive biography of Francis Marion the Swamp Fox covering his famous engagements as well as a private side of him that has rarely been explored

Roma -Banjara Cultural Contribution to Advancing World and India (With special reference to Creator and Originator) Dr. Lalith Kumar Dharavath, 2025-03-21

Banjara Thought Dr. Lalith Kumar Dharavath, 2025-04-23 The Banjara community is one of the oldest tribes in the world scattered across India Their history is both ancient and fascinating filled with numerous untold stories of Indian history Let's explore this intriguing heritage Two common narratives are often

propagated in the study of Indian history First it is widely believed that Indian history begins with the Indus Valley Civilization Second many claim that the people of the Indus Valley were Dravidians implying they were not Aryans However some historians argue that both of these claims are inaccurate They propose that Indian history should not be confined solely to the Indus Valley or the Buddhist period Some historians trace India s history back to the arrival of Alexander in India Therefore it may not be entirely accurate to consider the Indus Valley Civilization or the Buddhist period as the foundation of ancient Indian history These periods are better viewed as the concluding chapters of India s ancient past

Recreation Without Humiliation Mary Stanton,2024 Recreation without Humiliation is the first comprehensive study of Black amusement venues established by Black Americans for Black Americans Mary Stanton s extensive research on African American amusement parks in America explores not only segregation class and social barriers but also the notion of the pursuit of happiness as an inalienable right for all races and classes of people Inspired by summers spent on Coney Island where Stanton became curious about the existence of African American amusement parks in America Stanton s research uncovered more than fifty such venues most of which operated during the late nineteenth and early twentieth centuries These were parks theaters juke joints country clubs summer colonies baseball diamonds and arenas Although these venues provided much needed recreational services to an underserved Black population many were threatened by whites and some destroyed by them Through her study of these sites of recreation Stanton illuminates the history of African Americans who strove to create and maintain safe and satisfying entertainment despite segregation In her research Stanton also found class divisions among Black American entertainment venues At the pinnacle of Black society in this era were the upper class who could afford exclusive Black summer cottages and country clubs General entertainment for Black working class families consisted of dancing and drinking in juke joints or patronizing small amusement parks playgrounds movie theaters church sponsored functions and Black county fairs African Americans in the twentieth century especially in the South transformed segregation into what historian Earl Lewis calls congregation Congregation implies choice and this congregation provided space and support for establishing new amusements entertainments music and dance without interference or oppression

The North Carolina Historical Review ,2013 The Fury Archives Juno Jill Richards,2020-08-11 In the late nineteenth and early twentieth centuries radical women s movements and the avant gardes were often in contact with one another brought together through the socialist internationals Juno Jill Richards argues that these movements were not just socially linked but also deeply interconnected Each offered the other an experimental language that could move beyond the nation state s rights of man and citizen suggesting an alternative conceptual vocabulary for women s rights Rather than focus on the demand for the vote The Fury Archives turns to the daily practices and social worlds of feminist action It offers an alternative history of women s rights practiced by female arsonists suffragette rioters industrial saboteurs self named terrorists lesbian criminals and queer resistance cells Richards also examines the criminal proceedings that emerged in the

wake of women's actions tracing the way that citizen and human emerged as linked categories for women on the fringes of an international campaign for suffrage Recovering a transatlantic print archive Richards brings together a wide range of activists and artists including Lumina Sophie Ina C saire Rosa Luxemburg Rebecca West Angelina Weld Grimk Elizabeth Gurley Flynn Hannah H ch Claude Cahun Paulette Nardal and Leonora Carrington An expansive and methodologically innovative book *The Fury Archives* argues that the relationship of women's rights movements and the avant gardes offers a radical alternative to liberal discourses of human rights in formation at the same historical moment **Amistad Reports**, 1987 *The Literary Digest* Edward Jewitt Wheeler, Isaac Kaufman Funk, William Seaver Woods, Arthur Stimson Draper, Wilfred John Funk, 1910 **The Freedmen's Bureau** Paul Skeels Peirce, 1904 *Studies in Sociology, Economics, Politics and History*, 1904 *Songs of the Reconstructing South* Suzanne Disheroon-Green, Lisa Abney, 2002-03-30 The South has a rich cultural legacy and that of Louisiana is especially strong and diverse Despite its similarities with the rest of the South Louisiana has a distinct cultural identity rooted in the colonial impulses of France and Spain the evolution of gender roles the importance of religion and the dramatic shift in racial politics after the 1803 Louisiana Purchase Perhaps because of its diversity it has inspired numerous writers some of whom have contributed greatly to American literature This book explores the influences at work on Louisiana writers and those writing about Louisiana from the end of the Civil War through World War II These writers reflect the effects of Louisiana's culture politics and colonial heritage Such writers as Alice Dunbar Nelson Lyle Saxon and George Washington Cable characterize the racial caste system pointing out the flaws in its construction and its effects on relationships Ruth McEnery Stuart Kate Chopin and Sallie Rhett Roman depict the lives of women in Louisiana and their struggles when taking on nontraditional roles And William Faulkner and Arna Bontemps draw upon narrative and folk traditions which provide the foundations for their works Chapters are grouped in sections devoted to three of the broadest influences on writers of the era women work and culture during Reconstruction the impact of Modernism and issues of race and class **North Carolina's Outer Banks - Insiders' Guide** Karen Bachman, 2004-06 *Insiders Guide to North Carolina's Outer Banks* now in its twenty third edition offers travelers newcomers and locals the best most comprehensive information on what's happening on North Carolina's windswept barrier islands From remote wildlife refuges sheltered inlets and endless beaches to upscale resort communities these strips of shifting sand offer both peaceful retreat and awesome adventure Use this guide to discover the Outer Banks rich seafaring history and its newest tourist attractions as well as limitless opportunities for fun dining shopping and recreation Book jacket *Literary Digest*, 1910 *Johnson's Universal Cyclopædia*, 1890 **Agronomy Abstracts**, 1987 Includes abstracts of the annual meetings of the American Society of Agronomy Soil Science Society of America Crop Science Society of America of its Agronomic Education Division **Johnson's (revised) Universal Cyclopaedia**, 1886 **America, History and Life**, 2000 Provides historical coverage of the United States and Canada from prehistory to the present Includes information abstracted from over 2 000
