Suggestions and guidance related to recognizing the aging process as a positive experience are presented The American population is getting older and with that fact comes the realization that certain steps must be taken to ensure care for older people Discussed are the universality of aging a subjective view of aging intergenerational family living new concepts concerning work and retirement abuse of the elderly technological impacts on life styles demographics medical and social issues quality of life for the elderly and independent living Legislation to protect the elderly and enactment of adequate social security or a national pension plan will ease some uncertainties associated with aging The appendix contains a report from the 1981 White House Conference on Aging References are included kbc

**The New York Times Index**, 2007 **Dun & Bradstreet/Gale Group Industry Handbook: Entertainment and hospitality** Jennifer Zielinski, Gale Group, 2000 These volumes are compilations of data from select commonly found titles published by Gale in partnership with Dun a compilation of business statistics from the federal government performance indicators financial norms and ratios a directory of companies

rankings recent mergers and acquisitions associations consultants trade information sources and trade show data and a short

bibliography of articles from trade magazines Each volume has the usual fine set of Gale indexes There are SIC Standard Industry Classification to NAICS North American Industry Classification and NAICS to SIC conversion guides a geographic index and a master index The convenient organization by industry is certain to be appreciated by undergraduates yet libraries should be aware that most of this material is repackaged from other sources which include Million Dollar Directory Dun Bradstreet's Industry Norms and Key Business Ratios and Gale's excellent Encyclopedia of Associations Consultants and Consulting Organizations Directory Encyclopedia of Business Information Sources and Trade Shows Worldwide The new volumes are well documented clearly citing the source for the original data and for the government statistics presented in Chapter 2 The merger and acquisition information is easy to read but not as complete as in Moody's manuals and the industry overview is not quite as detailed as the Standard Poor's Industry Surveys but the introductory matter is more clearly written than in most business references Libraries that own all or most of the titles listed here will find that this set duplicates and does not supersede the originals Yet an undergraduate library with a small business collection will find these titles a good buy and two year colleges high schools and small or medium sized public libraries can use them to build up their business collections relatively inexpensively Library Journal
