Food - Media - Senses Christina Bartz, Jens Ruchatz, Eva Wattolik, 2023-11-02 Food is more than just nutrition Its preparation presentation and consumption is a multifold communicative practice which includes the meal s design and its whole field of experience How is food represented in cookbooks product packaging or in paintings How is dining semantically charged How is the sensuality of eating treated in different cultural contexts In order to acknowledge the material and media related aspects of eating as a cultural praxis experts from media studies art history literary studies philosophy experimental psychology anthropology food studies cultural studies and design studies share their specific approaches *The Event Industry* My City Links, 2025-04-01 Coming of Age How the event industry is reshaping the social and cultural landscape The event industry as we know it today is a far cry from the modest beginnings and tentative first steps witnessed a few decades ago Over the years it has seen steady growth in Odisha fuelled by heritage tourism and government backed initiatives Bhubaneswar Cuttack and Puri have emerged as prime destinations for events spanning the entire spectrum from dance and music to social and cultural gatherings Read all about it in our Cover Story Ideas conversations and lots more That s what the Bocca Book Cafe promises for lovers of literature culture and the arts City Lights brings you highlights from the launch event which was marked by an insightful conversation with the author of a book that is way off the beaten track The section also has a special feature to mark World Book Day City Tales continues with the series on temple tanks in Bhubaneswar This time the focus is on how their very existence is under threat today thanks to rapid urbanization coupled with neglect In City Health we bring you some expert tips on how to practice a Yoga pose that has to do with stretching and flexibility Our CityZen for the edition is Anand Poddar a dynamic entrepreneur who believes in balancing business with social impact He talks to us about his journey so far City Biz narrates the inspiring story of some intrepid women who are breaking the proverbial glass ceiling with their culinary skills It has been cricket all the way since the latest edition of the Indian Premier League kicked off last month and it has stirred a debate on the state of the game in Odisha In City Sports experts and coaches weigh in on why cricketers from Odisha have been finding it tough to make a mark on the national scene Recent years have seen innumerable instances of how social media can amplify the reach of traditional art forms The latest example is that of a 30 year old Odia Sambalpuri song that has got a fresh lease of life after it went viral on social media platforms Read all about it in ScreenShots It s not often that one talks about Indian cinema and science fiction in the same breath Malayalam film Gaganachari is however an unexpected and welcome exception In Cityflix we take a look at how the film uses science fiction laced with humour and distinct facets of human relationship to weave together a gripping tale *Situating Scandinavian Poetry in the Computational Network Environment* Hans Kristian Strandstuen Rustad, 2023-09-05 How to grasp poetry in its contemporary digital situation a situation wherein poetry travels across digital and analoge media platforms and intended or not collaborates with computers *Situating Scandinavian Poetry in the Computational Network environment*

investigates how heterogeneous forms of poetry in Scandinavia interact with and work in a digital media environment how digital programmable and network media intervene with and shape new poetic forms or remediate older forms of poetry and how digital and digitalized poetry through its self reflexivity sheds light on digital media technology and its role for poetry and potentially for literature and aesthetics more in general In doing so it also argues for the importance of close reading poetry in digital media It includes an historical and theoretical approach to poetry in digital media and analysis of poetic works in Scandinavia The book is written within the framework of posthumanism and what N Katherine Hayles calls technogenesis and makes up the argument that contemporary poetry constitutes and is constituted by a computational network environment of human and non human subjects wherein poems travel in an egalitarian media ecology The book is relevant for researchers and students in the field of poetry students and researchers in the field of literary studies media studies and digital culture studies and teachers interested in presenting newer forms of poetry for their students

How social media affects our self-perception** Nick Feldmann,2022-03-16 Bachelor Thesis from the year 2019 in the subject Psychology Media Psychology language English abstract Social networks allow us to keep in touch with people all over the world In addition to personal

messages many users also post pictures and videos from their everyday lives For many people however this has not only positive effects In fact social media can also have a negative impact on our sense of well being In particular the constant comparison with the postings of other users can unsettle not only young people Nick Feldmann looks at the connection between social comparison processes on Instagram and the user s self esteem Due to the high user numbers of social media a particularly large number of people are affected by these mechanisms Self perception also has a major influence on success in life Feldmann therefore examines the extent to which conscious and unconscious comparison with other people in social networks affects self worth
