## Phonics Screening Check

### What is phonics?

Phonics is the study of the sounds of words and how they are written. It is the study of the relationship between the sounds of words and the letters that represent them.

Phonics is an important part of learning to read and write. It helps children to understand how words are made and how they are written. This helps them to learn to read and write more easily.

### How to help your child learn phonics

There are many ways to help your child learn phonics. Some of the best ways are to read to them, talk to them about the sounds of words, and play phonics games.

When you read to your child, point to the words and talk about the sounds they make. You can also play phonics games, such as word matching or word building.

### Phonics screening check

The phonics screening check is a test that is given to children in Year One. It is designed to check whether children have the basic phonics skills they need to be able to read and write.

### What to expect from the phonics screening check

The phonics screening check is a short test that takes about 10 minutes to complete. It is given to children in Year One. The test is designed to check whether children have the basic phonics skills they need to be able to read and write.

### What to do if your child does not pass the phonics screening check

If your child does not pass the phonics screening check, it is important that you talk to their teacher. The teacher will be able to tell you what your child's strengths and weaknesses are and what you can do to help them improve.
