Quick Start Romantasy Saga:

The Series Blueprint Heather Cardona, 2026-01-06 Plotting a series isn't just plotting one book repeatedly. It's a different creature entirely. If a standalone novel is a sprint, a series is a marathon, one with shifting terrain, expanding casts, escalating stakes, and the constant fear that you've written yourself into a corner by Book Three. The Series Blueprint is your long-range guide to building a series that actually works from the first book to the final payoff. This isn't a book of rigid formulas or paint-by-numbers outlines. It's a strategic framework for thinking like a series writer: planning with intention, pacing with purpose, and designing stories that grow instead of collapse under their own weight. Inside, you'll learn how to design a series with a clear destination before plot drift takes over, choose the right series structure for your genre, audience, and goals, build book-level arcs that serve a bigger long-form story, decide between saga, episodic, or hybrid models with confidence, track character growth, worldbuilding, and continuity without overwhelm, balance creativity with strategy without killing your spark, finish a series feeling proud instead of burned out. Whether you're planning your first series halfway through a tangled one or staring at a world that no longer makes sense, The Series Blueprint meets you where you are. Because a series isn't just multiple books. It's one long story told in deliberate stages. Plot it like one, and your future self will thank you. Probably with coffee.

The problem is she doesn't know it yet. The even bigger problem is she's dating one. When Kira Dawson moves to South Carolina, she meets Luke, a blond goofball who quickly becomes her best friend, and Tristan, a mysterious bad boy who sends shivers down her spine. Kira knows they're keeping secrets, but when she discovers Tristan's lust for blood and her own dormant mystical powers, Kira is forced to fight for her life and make the heartbreaking decision between the familiar comfort of friendship and the fiery passion of love. **MIDNIGHT ICE** All vampire thief Pandora Scott wants to do is put her old life behind her. That's a lot easier said than done when a supernaturally enhanced tracker who also happens to be her ex-boyfriend is determined to hunt her down. After four years of running, she's finally been caught, and that's not even the worst part. When her latest heist goes south, the head vampire of New York lays a price on her head for snatching a prized possession from his personal vault. Now she has two choices: rely on Jax, the boy who broke her heart, or accept help from Sam, a mysterious vampire who knows more than he's letting on. Naturally, she goes with secret option number three: run like hell.

But this time escape won't be so easy. Because even a super speedy vampire with the ability to disappear can't outrun her own destiny.

The Starlight Bond Bruce Goldwell, 2025-07-10 The Starlight Bond. A Romantasy. Saga. Beneath twin moons where flames dance with starlight, a forbidden bond ignites a love that could save or shatter the Elemental Realms. In a world where emotions fuel the tides, winds and flames, Ember is flame-born, trained to fight forbidden to feel. Her fire is a weapon, her heart a danger she cannot afford. But when Auren, a starborn exile carrying the weight of a lost world, crashes from the heavens with a silver glow, only she can see. Everything changes. Their bond is instant, cosmic, dangerous, a resonance of fire and starlight that defies the Courts' laws and threatens their control. In the Elemental Realms, love isn't safe; it's a threat. As the Courts unleash ancient relics to sever their bond, Ember and Auren must trust the love that binds them or risk losing each other and the realms to a void that consumes all feeling. Together, they are the prophecy the Elemental Courts tried to erase: a union that could reshape reality itself. But if Ember doesn't embrace the truth, she's buried that her heart's fire is her greatest strength. She'll destroy Auren and everything they were meant to save. Feelings are rising. Truths are awakening. And the war between control and connection will decide the fate of a world on the brink of a new dawn.
