Trending Romantasy Novel:

Pages from the Book of Broken Dreams Kat Jackson, 2024-06-01 Emmalynn Gallagher threw caution to the wind once and found herself in the middle of a tornado. Needless to say she won't be doing that again. Now she fills her life with plans and to do lists. Having moved home for a fresh start, Emma is facing the ultimate re-do list when she abruptly comes face to face with Aubrey Glass, the source of Emma's teenage yearning. Aubrey wouldn't recognize yearning if it tornadoed into her face, but she does recognize Emma even if she wishes she didn't. Socializing especially with her past is Aubrey's least favorite activity. She's tender in spots no one can see and would prefer to fade into the background. Amidst the backdrop of towering shelves of books and the persistent aroma of freshly brewed coffee, Emma and Aubrey navigate their post high school reunion. With plenty of fumbles and missteps, it doesn't seem likely that they'll manage to merge their paths, nor does it always seem that they want to until suddenly it's the only thing that makes sense to either one of them.

Inside Book Publishing Angus Phillips, Giles Clark, 2025-02-28 Now fully revised and updated for its seventh edition, *Inside Book Publishing* is the classic introduction to the book publishing industry. The book provides excellent overviews of the main aspects of the publishing process, from commissioning authors to product development, design, and production, marketing, and sales. Angus Phillips and Giles Clark offer authoritative and up-to-date coverage of all sectors of the industry, from commercial fiction to educational publishing and academic journals. They reveal how publishers continue to adapt to a fast-changing and highly interconnected world, in which printed books have proved resilient alongside ebooks, and the growth in audio. The topics explored include AI, social media in marketing, sustainable book production, open access for research, and diversity, equity, and inclusion. International case studies from industry experts give perspectives on, for example, comic books, children's picture books, women in Indian publishing, and the Korean literary wave. As a manual for those in the profession and a guide for the publishers of the future, this book remains a seminal work for anyone with an interest in the

industry It will also be of interest to authors seeking an insider's view of this exciting industry The book is supported by online resources including a glossary a further reading list and links to a range of online resources available at www.routledge.com/9781032516554 **Still Reading Romance** Josefina Smith, Kathleen W. Passion + Profit with Author Ecosystems Monica Leonelle, 2025-10-25 Are you tired of following marketing advice that feels completely wrong for how you work? Wondering why strategies that work brilliantly for other authors leave you drained and frustrated? The problem isn't your effort; it's that you're trying to build someone else's business instead of your own. Author Ecosystems reveals the six distinct creative archetypes that determine how you naturally write, connect with readers, and build sustainable success. This isn't another one size fits all marketing system. It's a personalized roadmap based on your unique creative energy patterns. Are you a precision-focused visionary who thrives on speed and strategic optimization like the Desert? A systematic builder who creates comprehensive interconnected creative worlds like the Grassland? A cultural moment creator who generates explosive impact through strategic timing like the Tundra? A relationship-focused author who builds loyal communities through consistent authenticity like the Taiga? A healing-centered storyteller who creates deep emotional connection and transformation like the Forest? Or an immersive experience creator who builds devoted fandoms and cultural movements like the Aquatic? What You'll Learn: How to identify your core archetype and leverage your natural creative strengths. Publishing paths traditional, hybrid, indie, or digital that align with your energy instead of draining it. Audience growth strategies designed specifically for how your type connects with readers. Creative production methods that work with your natural rhythm, not against it. Email marketing approaches that feel authentic to your archetype. Sustainable paths to six-figure success without burning out or compromising your creative vision. Whether you're just starting your writing career or you're an established author ready to work smarter instead of harder, this book provides the framework to build success on your terms. Stop trying to force yourself into marketing strategies that weren't designed for you. Start building the writing career that actually fits who you are. Author Ecosystems was co-created by Monica Leonelle and Russell Nohelty, but this comprehensive guide represents Monica's complete vision for the system, including the newly discovered sixth archetype, the Taiga, based on 2024 industry data. Your creative DNA isn't a limitation; it's your competitive advantage. Perfect for aspiring, beginning, and intermediate authors building their first sustainable writing business, as well as established authors ready to align their strategy with their authentic creative process.

Dandelion Throne Paige Suzanne Patno, 2024 When I decided to write a fantasy romance or romantasy novel, I knew it would be important to focus on what makes this novel different from others in the genre. In today's leisure reading climate, there is a plethora of content available to consumers, usually in the form of

accessible and self published titles With the oversaturation of publications in the genre Dandelion Throne has required that I be vigilant of my content to ensure I'm contributing something new to the genre There are several common practices in fantasy writing I want to challenge in Dandelion Throne so I selected several touchstone pieces to draw inspiration from and or challenge when outlining and writing the novel As a writer it is important to pay attention to what books are popular in the genre I am writing Because of this I wanted to use Sarah J Maas A Court of Thorns and Roses series or ACOTAR as one of my touchstones I enjoy reading these novels but I also find glaring issues in the content that I wanted to challenge in Dandelion Throne I also decided to use Erika Johansen's Queen of the Tearling trilogy as another touchstone because her protagonist is well developed well written and would serve me well for inspiration writing a royal character Johansen's series manages to be both politically charged and accessible reading I admire the protagonist's keen skills in politics and diplomacy and thought it would serve me well when it came to writing about my protagonist's place on the throne My project is not a political fantasy but with my protagonist being in a royal role I want to be competent at writing political undertones and subplots to make her place on the throne believable

[Under the Oak Tree: Volume 1 \(The Novel\)](#) Suji Kim, 2024-11-05 NEW

YORK TIMES BESTSELLER Most fairytales end with a wedding and a happily ever after, but this is no fairytale. The updated and official translation of *Under the Oak Tree*, the 1 webnovel on MANTA. Lady Maximilian is the daughter of the powerful Duke Croysos, but she is rarely allowed outside her family's sprawling castle for fear that her stutter will tarnish their noble name. When she is forced to marry Sir Riftan, a lowborn knight caught in one of her father's schemes, Maxi doesn't dare hope for happiness, let alone love. Her stumbling communication and his gruff manner sour their relationship before it can begin, and Riftan leaves without a word the morning after their vows are exchanged. Now three years after their disastrous wedding night, Riftan has returned as a war hero. To Maxi's surprise, despite rumors that he was offered marriage to Princess Agnes, a beautiful and renowned sorceress, Riftan still wants Maxi for his wife. And when he comes to claim her, his longing becomes a desire that bewilders Maxi, even as she is overcome by the scorching heat that Riftan's presence ignites within her. As she learns to navigate the intricacies of her new life, Maxi will find herself and her courage, and discover that she is anything but powerless. This volume collects chapters 1-76 of the original webnovel by Suji Kim.
