A Critique of Judgment in Film and Television S. Panse, D. Rothermel, 2014-04-24 A Critique of Judgment in Film and Television is a response to a significant increase of judgment and judgmentalism in contemporary television film and social media by investigating the changing relations between the aesthetics and ethics of judgment Beta Bucks, Alpha Fucks Conrad Riker, 101-01-01 Tired of Being a Disposable A T M in a Woman s World Discover How to Weaponize Truth Master the System and Live Free Do you feel cheated by a society that demonizes your masculinity but still demands your labor money and silence Are you exhausted by endless shit tests and the fear that love is just a transaction in a gynocratic regime Worried your life s value boils down to a paycheck and your death to an inheritance grab How this book will change your life trajectory Expose the empathy gap that lets society shrug at male suffering while coddling female whims Decode evolutionary psychology Why women can t love you the way you love them and why that s not your fault Crush the family court s industrial oppression with cold systematic strategy not hopeless rage Hack your biology Use biofeedback to erase anguish not pills or therapists who blame you Turn toxic masculinity traps into unshakable purpose without apologizing for existing Sidestep the marriage plantation s tax farms and emotional serfdom Borrow Job s grit and Christ s sacrifice without becoming a martyr for ingrates Build a life women can t confiscate ikigai brotherhood and legacy that outlives their lies If you re done being a cog in the gynocracy s machine and ready to forge a life that s truly YOURS buy this book today Your future self will thank you **A Tale of Two Villains** Calvin Cherry, 2022-10-18 Prepare to be delightfully surprised to discover that the godfather of all vampires and the infamous dark wizard share a deep character bond that goes far beyond the title monster Be intrigued to uncover what a coffin and a horcrux share or to dig further to unearth that the often overlooked scars which Bram Stoker wrote of in Victorian England are just as significant as those described by J K Rowling in the modern era Indeed it cannot be a mere coincidence that Dracula was hurt in 1897 and 100 years later Harry is too Bookshelves and databases are full of fascinating sources celebrating the supernatural worlds created by beloved authors Bram Stoker and J K Rowling The millions of fans of Dracula and Harry Potter consist of all age groups and varied enthusiasm ranging from a curious reader or leisure cinema observer to seriously devoted academic scholars However followers of each universe have been chiefly segregated rarely mingling apart from an occasional culture convention widely dominated by Star Wars Star Trek and Marvel heroes groupies This is most unfortunate because Stoker and Rowling readers have a lot in common This is because Count Dracula and Lord Voldemort have much in common In fact these two internationally acclaimed bestselling novels possess a remarkable kinship A Tale of Two Villains is a love letter to both sets of fans paying homage to two superb authors and their extraordinary respective works It is the first text to set both masterpieces on pedestals side by side analyzing the words on the page and the thoughts behind them exploring their similar themes unique parallelism and mystical symbolism The author delves profoundly into the interesting characters their traits

**Family Blood Ties** Dale Mayer, 2016-07-24 This is a collection of 3 books in the Family Blood Ties series These books are Vampire in Chaos Tessa's life has plummeted into chaos Her father is missing Goran is unconscious and showing no signs of healing her mother has taken several steps off the deep end and David well she'll deal with him when she sees him if she can find him Cody isn't sure what happened to the supposedly successful conclusion to the blood farm madness but he's back in hell and damn it Tessa is once again leading the charge Jared is on the run again With no one else he can trust but Tessa's friends and family he searches them out determined to help them solve this war whether he is welcome or not With everyone in distress or missing Tessa struggles to find answers and create some kind of order amongst the chaos before their attackers strike again Vampire in Crisis Tessa's world exploded She survived Deanna's inheritance She sees more hears more understands more But more is not always better Cody doesn't like what's happening around him Tessa has walked through hell and she has a lot more to go before she's clear He plans on standing by her side her guardian whether she wants him to be there for her or not Jared can't believe all trails lead him into trouble He'd escaped once Tried to stay out of the mess since But a friend is missing and when he tries to get help the person he confides in goes missing too The vampire world was never ready for Tessa before The new Tessa No one is ready for her Vampire in Control Life couldn't be any worse Caught in a web of Deanna's making Tessa struggles to find her role in this new reality Cody can't believe how quickly his life has deteriorated He believes in Tessa Knew she had

what it took and is desperate to do what he can to save her Only there are secrets and like poison fester until they are released Tessa and Cody have to find their way through the maze of lies and deceit to a safe haven on the other side The whole gang is caught in life and death struggles as they near the end of this war But how close are they and who will survive

Vengeful King Mary E. Twomey, 2020-12-28 Retirement isn't all it's cracked up to be especially when the world begins falling apart the moment you step away King Ronin doesn't know what to do with himself after handing the throne down After one of his parties takes a deadly turn he realizes his role in leading the territory might not be over yet With a mysterious poison that kills vampires working its way through Drexdenberg Ronin knows he must do something to protect the people he spent a century serving Taking a job bartending job helps Adeline pay the bills but when Ronin's party gets out of hand she's reminded of the harsh realities of how hard life is being one of the few shifters in vampire territory and a single mom on top of it Though the policy to integrate the races seemed like a good idea Adeline quickly realizes that more than just her life might be at stake if she stays in Ronin's circle While remaining in enemy territory seems like an impossible feat leaving Ronin's charming smile is a fate Adeline is unwilling to suffer If you like Veronica Roth Bella Forrest and first kisses with the possibility of more you'll love this urban fantasy romance series with a dystopian edge One Click this royal paranormal romance series written by USA Today Bestselling Author Mary E Twomey today Google Keywords paranormal romance royal romance shifter romance vampire romance dragons and mythical creatures dragon romance dystopian romance

**Sookie's Place(s)** Sarah Holder, 2016 Charlaine Harris bestselling paranormal romance series the Southern Vampire Mysteries is only beginning to be understood as more than a cultural phenomenon but rather as a highly politicized and critical work of fiction that shines through genre designations such as romance mystery and fantasy Much of this praise can be attributed to the series heroine Sookie Stackhouse who gracefully traverses boundaries that divide what are arguably racial and ethnic groups ever at odds with one another as they share political and social space Her adventures therefore pose significant questions concerning diversity equality and nationalism but more obviously they ask what southernness has to do with these issues of identity The SVM situates itself between south as place and south as imaginary insisting on the utility of this region and its attendant baggage by localizing issues plaguing American collective consciousness such as identity politics and civil equality class castes and poverty racism and homophobia violence and hate crimes Such a south allows for the misdirection of American rhetoric which demonizes the south as the nation's Other but employs its given role to effect change to take Americanness to task That is here the south operates as not only a state of being i.e. a place an identity etc but also a process This thesis aims to locate where the process South operates in the SVM in bodies between bodies across communities in order to map its myriad successes and failures and thereby create a blueprint for reading the series real repercussions
