## **Carpentry And Joinery Illustrated:**

Carpentry and Joinery Illustrated Paul N. Hasluck, 2010-07 Finally back in print Carpentry joints floors partitions windows doors moldings tools and more Each subject is explored illustrated and examined first in the simple case and then in fancier and fancier permutations This is the best instruction ever written that explains the details of both simple and fancy late Victorian architectural woodworking Whether you are a joiner restorer or architect you will be amazed at the level of practical information clarity of explanation and continued utility of this book Certain subjects which are commonly ignored such as the use of joiner s rods are covered in great detail along with detailed instructions for layout all the various constructions in the book Because this is such an important book we wanted an expert opinion to put the book in the context of its time In a new introduction master housewright Roy Underhill compares the instruction in the book with a first hand account of an early 20th century joiner We again have the voices of first rate masters at our sides Roy Underhill from his Introduction The original book contained 12 color plates which sadly we could not afford to reproduce in color However we are making a PDF of the color plates available for download <http://www.brooklyntoolandcraft.com/hasluckplates> Softcover 6 3 4 x 9 5 8 567 pages plus 12 plates **First Year Carpentry and Joinery ... illustrated** J.
