

What opportunity did he have to take that final step? Write the sentence that tells you Polly gave Nat her approval to take that step.

**Thinking About the Story:**

6. Why did Nat work so hard to write his book?
7. Why could Nat not talk to most people in Salem about the book he was writing?
8. What made Nat sad when he finally was able to attend Harvard's graduation ceremony? What ended up making that the proudest day of his life?
9. Why were the people of Salem surprised at the appearance of Lem Harvey?

Nathaniel Bowditch loves to work with numbers School is Nat s favorite time Unfortunately Nat must give up his dream to go to Harvard when he must quit school to work for his father Later he becomes an indentured

servant working in a ship s chandlery In spite of his situation Nat continues his education by teaching himself He works all day in the chandlery and in the evenings fills his notebooks with everything he wants to learn Nat s diligence pays off When

Nat s nine year indenture is through he is given the opportunity to go to sea where the things he has learned may be put to use Sailing is dangerous not only because of enemies on the high seas but because Nat discovers many of the books and

tables sailors use for navigation have errors errors that cost lives With the same diligence he used to teach himself Nat begins to compile information for a new book to correct these errors and give every sailor knowledge of navigation
