Sight Words For Preschoolers focuses on tracing to help your child master common sight words that they will require in their education as a young reader. Each set is complete with the sight word itself, a 2D character, step by step tracing instructions, plenty of space for practice, and even the sight word used in a sentence. From the moment they put their pencil to paper, the instructions show them where to draw their lines and proper penmanship for each letter. Word tracing demonstrations and exercises for all 40 Pre K Dolch sight words. After successfully tracing the individual letters for each sight word, your child will be asked to trace entire words for each of the 40 Pre K Dolch sight words. From a and and to yellow and you, your child will get the repetition they need to master each sight word. Areas promoting independent writing. In addition to tracing each sight word, your child's skills will be put to the test by asking them to write the word without any gray lines to guide them.
