**Concert Duets** Vladislav Blazhevich,1999-10-19 Expertly arranged Trombone Duets by Vladislav Blazhevich from the Kalmus Edition series This is from the 20th Century era     **Concert Piece** Felix Mendelssohn,1999-08-26 A collection of duets for two Clarinets with Piano Accompaniment composed by Felix Mendelssohn     **Four Duets in Concert Style, Op. 94** Robert Kietzer,1985-03-01     **Piano Duet Repertoire** Cameron McGraw,2016-05-09 Since the 1981 publication of the first edition Cameron McGraw's Piano Duet Repertoire has been a trusted guide for duet performers This second edition edited and substantially expanded by Christopher and Katherine Fisher brings the volume into the 21st century adding over 500 new or updated composer entries and nearly 1 000 new work entries to the volume a testament to the renewed interest in piano duet playing Entries are arranged alphabetically by composer and include both pedagogical and concert repertoire The annotations and the grade level indications provide piano teachers a wealth of instructional guidance The book also contains updated appendices listing collections and duet works with voice and other instruments This new edition features a title index and a list of composers by nationality making it a convenient and indispensable resource     **Choral-Orchestral Repertoire** Jonathan D. Green,David W. Oertel,2019-12-05 Choral Orchestral Repertoire A Conductor's Guide Omnibus Edition offers an expansive compilation of choral orchestral works from 1600 to the present Synthesizing Jonathan D Green's earlier six volumes on this repertoire this edition updates and adds to the over 750 oratorios cantatas choral symphonies masses secular works for large and small ensembles and numerous settings of liturgical and biblical texts for a wide variety of vocal and instrumental combinations Each entry includes a brief biographical sketch of the composer approximate duration text sources performing forces available editions and locations of manuscript materials as well as descriptive commentary a discography and a bibliography Unique to this edition are practitioner's evaluations of the performance issues presented in each score These include the range tessitura and nature of each solo role and a determination of the difficulty of the choral and orchestral portions of each composition There is also a description of the specific challenges staffing and rehearsal expectations related to the performance of each work Choral Orchestral Repertoire is an essential resource for conductors and students of conducting as they search for repertoire appropriate to their needs and the abilities of their ensembles     **Arias, Ensembles, & Choruses** John Yaffé,David Daniels,2011-11-17 Conductors John Yaffé and David Daniels have created a one stop sourcebook for orchestras opera companies conductors and librarians who research and or prepare programs of vocal excerpts such as solos ensembles and choruses for concert performance In this book readers will find detailed information on a vast repertoire of vocal pieces commonly extracted from operas operettas musicals and oratorios more than 1 750 excerpts from 450 parent works Modeled on Daniels Orchestral Music Arias Ensembles Choruses includes basic historical details about each parent work as well as extract titles subtitles voice types keys durations locations in the original work with page numbers in both full scores and piano vocal scores and exact instrumentation It also lists the

publishers that make available the orchestral materials for just the excerpt being programmed independent of the full parent work Until now conductors and orchestra librarians commonly had to first leaf through full scores searching for one elusive three minute aria after another only to then consult multiple publishers catalogues to compile crucial information on all the excerpts proposed for a concert or recording This book constitutes a single source for finding that information In many cases the individual entries include valuable insider information on common performance practice including start and stop points transpositions and conventional cuts Searching for repertoire is made easy with the detailed title index and appendixes devoted to ensemble excerpts all categorized by personnel e g duets trios quartets quintets sextets choruses and language Czech English French German Italian Latin Russian This book is the ideal tool for the working conductor and orchestral librarian as well as music program directors at colleges and conservatories opera companies and symphony orchestras As of October 2015 a new printing of this book has occurred to correct errors in the index A PDF version of the new index is available to previous purchasers of the volume Please contact Rowman Littlefield s music editor for assistance
