## Space Opera Saga Community Favorite:

**Cult Television** Sara Gwenllian-Jones, Roberta E. Pearson, 2004 A television series is tagged with the label cult by the media advertisers and network executives when it is considered edgy or offbeat when it appeals to nostalgia or when it is considered emblematic of a particular subculture. By these criteria almost any series could be described as cult. Yet certain programs exert an uncanny power over their fans encouraging them to immerse themselves within a fictional world. In *Cult Television* leading scholars examine such shows as *The X-Files* *The Avengers* *Doctor Who* *Babylon Five* *Star Trek* *Xena* *Warrior Princess* and *Buffy the Vampire Slayer* to determine the defining characteristics of cult television and map the contours of this phenomenon within the larger scope of popular culture. Contributors: Karen Backstein, David A. Black, Seton Hall U, Mary Hammond, Open U, Nathan Hunt, U of Nottingham, Mark Jancovich, Petra Kuppers, Bryant College, Philippe Le Guern, U of Angers, France, Alan McKee, Toby Miller, New York U, Jeffrey Sconce, Northwestern U, Eva Vieth, Sara Gwenllian. Jones is a lecturer in television and digital media at Cardiff University and co editor of *Intensities: The Journal of Cult Media*. Roberta E. Pearson is a reader in media and cultural studies at Cardiff University. She is the author of the forthcoming book *Small Screen Big Universe: Star Trek and Television*.

*Textual Poachers* Henry Jenkins, 2012-12-07 The twentieth anniversary edition of Henry Jenkins's *Textual Poachers* brings this now canonical text to a new generation of students interested in the intersections of fandom, participatory culture, popular consumption, and media theory. Supplementing the original classic text is an interview between Henry Jenkins and Suzanne Scott in which Jenkins reflects upon changes in the field since the original release of *Textual Poachers*. A study guide by Louisa Stein helps provides instructors with suggestions for the way *Textual Poachers* can be used in the contemporary classroom and study questions encourage students to consider fan cultures in relation to consumer capitalism, genre, gender, sexuality, and more.

**Sex, Politics, and Religion in Star Wars** Douglas Brode, Leah Deyneka, 2012-07-02 In 1977 *Star Wars* blazed across the screen to become one of the highest grossing and most beloved movies of all time, spawning an unprecedented merchandising phenomenon. It was followed by two sequels and three prequels, all of which became blockbusters. Comic books, novels, graphic novels, and magazines devoted to the films added to the mythology of George Lucas's creation. Despite the impact of the franchise on popular culture, however, discussion of the films from a scholarly perspective has not kept pace with the films. In *Sex, Politics, and Religion in Star Wars: An Anthology*, Douglas Brode and Leah Deyneka have assembled a provocative collection of essays exploring some of the more intriguing aspects of the *Star Wars* phenomenon. Contributors to the volume tackle such hot topics as race and racism in the *Star Wars* galaxy, Judeo-Christian and Eastern religious themes, homosexual romance, and philosophical and political implications both earthbound and otherworldly. These essays interpret the *Star Wars* universe from a variety of perspectives, including feminist and Freudian, offering insights from writers who bring a new passion to the subject. A companion volume to *Myth, Media, and Culture in Star Wars*, *Sex, Politics, and Religion in Star Wars* is an authoritative anthology incorporating
