[The Global Author Economy](#) Azhar ul Haque Sario, 2025-10-31 The publishing world has changed forever and this book is the map you need to navigate it. This book is your complete guide to the global author economy. It begins with the past. You will learn how self publishing is not new but the original form of publishing. We trace its history from ancient scribes to the modern digital age. Then the book provides a massive global market analysis. We dive deep into 15 different countries. This includes the Anglosphere titans the USA UK Canada and Australia. We explore European powerhouses like Germany France and Sweden. We also unlock the BRICS frontier Brazil India and South Africa. Finally we look at unique markets like Japan China Mexico the UAE and Nigeria. For each country you get a practical breakdown. This includes market trends top local companies and essential copyright laws. The guide also covers the cutting edge of the industry. You will learn how to use AI for marketing and research. We explore the audiobook boom subscription models and direct to reader sales. The book explains new business theories. You will learn to be an authorpreneur. You will understand how to build a global local strategy. To finish we look to the future predicting the trends that will shape the industry from 2025 to 2035. What makes this book different from other publishing guides. Most books are too limited. They focus on just one platform like Amazon or one market like the US. This book provides a truly global strategic perspective. It gives you the Global Local Nexus model a unique framework for leveraging worldwide distribution platforms while applying targeted localized marketing to build a real connection with readers in different countries. It isn't just a simple how to manual. It is a comprehensive analysis that combines history practical market data emerging technology trends and powerful business models. Other books may show you how to upload your file. This book teaches you how to think like a global CEO of your own writing business. It's the ultimate resource for building a resilient diversified and sustainable international writing career.
