**Broadening Critical Boundaries in Children's and Young Adult Literature and Culture** Amie A. Doughty, 2018-10-30 This collection of essays explores a wealth of topics in children's and young adult YA literature and culture The contributions include an examination of the Watchbird cartoons by Munro Leaf and their attempts to teach morals and manners an ethnographic study about the role of public youth librarians and an exploration of the role popular video games can play in the secondary classroom Other topics investigated here encompass the presentation of environmentalism in Hayao Miyazaki's films psychological analyses and the role of race gender and

culture in children's and YA literature *Reimagining Science Fiction* Gary Westfahl, 2025-10-31 In the first decades of the twenty-first century science fiction literature has been transformed in many ways as the genre has reacted to the dominating influence of films, television and video games, the growing popularity of fantasy, the rise of young adult science fiction and graphic novels, the impact of the internet and social media, and the increasing diversity of the authors, characters and often non-Western settings. The essays making up this volume address these and other changes in two ways. Some consider new critical approaches to science fiction in response to changing circumstances, including analyses of how evolutionary psychology explains today's science fiction, the emerging subgenre of cli fi exploring the effects of climate change, the use of science fiction in different areas of the college curriculum, and a statistical method for identifying works of science fiction. Others examine significant new authors such as Nalo Hopkinson, Charles Stross, Paolo Bacigalupi, Suzanne Collins, Mira Grant, John Sandford and David Mura. Contributors include science fiction author Howard V. Hendrix and experts in the fields of Chinese studies, gender studies, literature, philosophy and religion. **GameAxis Unwired**, 2008-03 GameAxis Unwired is a magazine dedicated to bringing you the latest news, previews, reviews and events around the world and close to you.
