**A Newcomer's Guide to the Bible** Michael C. Armour, 2002-05 A Newcomer's Guide to the Bible serves readers whom other guides to the Bible overlook Many introductory studies presume that their readers already possess a rudimentary knowledge of the Bible But today even the most common Biblical terms are unfamiliar to broad segments of the population When people like this develop an interest in Christianity as millions do they find that the average Bible class is over their heads They also discover that basic reference materials about the Bible may exceed their level of understanding A Newcomer's Guide to the Bible was written with these very people in mind And the A Newcomer's Guide to the Bible workbook will help them make the most of reading through the book itself

**Living in the Spirit** John MacArthur, 1987 The key to living the Christian life is in being filled with the Spirit Unless we are energized by the Spirit of God we can never walk in humility unity love and wisdom

**Trusting in Spirit—The Challenge** Dr. Bob Woodward, 2018-04-17 In this unique book Spirit Guides are invited to communicate to us teachings which they consider relevant and important at this time However the author also questions and challenges what the Guides have to say instead of just acquiescing to their messages The book is intended to help awaken people to the reality that they each have Spirit Guides who are more than willing to be of help and service to them However since they always respect our free will they depend on us taking the initiative to get to know them This is precisely the challenge of learning to trust in Spirit and in our own potential abilities I can honestly say that when I read the manuscript I was amazed at its power to inspire and heal As you read this book your spirit guide will be close and help you understand the teachings that are relevant to you Anne Lewis Spiritual Medium and Healer You are only limited in your abilities by your own set beliefs and expectations If your beliefs grow and widen then so do your abilities to contact beings on all different levels
