Confronting Yeshuas Divinity And Messiahship:

Confronting Yeshua's Divinity and Messiahship J. K. McKee, 2012-07-11 There is no more pressing issue for Believers in Yeshua the Messiah Jesus Christ than understanding who their Lord actually is There are many statements appearing in the Apostolic Scriptures or New Testament which give witness to who He is Yeshua is the Word made flesh John 1 1 14 He is the Lamb of God John 1 29 36 He is One who had the audacity to say before Abraham was born I am John 8 58 and He is One existing in the form of God Philippians 2 6 Yeshua is the Savior of the world whose sacrifice for human transgressions provides permanent atonement and forgiveness Yeshua the Messiah of Israel is the One of whom Moses in the Law and also the Prophets wrote John 1 45 Yeshua the Messiah is One who the Scriptures definitely regard as no ordinary man as He performed miracles had control over the weather and who was recognized as unique by the forces of evil He is the first and the last the beginning and the end Revelation 22 13 While there is much about the nature of the Messiah that is difficult for mortals to fully comprehend He is portrayed as the One in whom all the fullness of Deity dwells in bodily form Colossians 2 8 and He is our great God and Savior Titus 2 13 He is the prophesied Messiah of Israel and He is God made manifest in the flesh Recognizing Yeshua as God and as the prophesied Messiah from the Tanach or Old Testament are two concepts that have been under continual attack by many outside and inside forces in today's broad Messianic movement and the attacks continue to grow in intensity There are people who have been caught easily unaware by poor arguments against Yeshua's Divinity and Messiahship There are answers to the claims against these foundational truths that are available for those who need an immediate shoring up of their faith Confronting Yeshua's Divinity and Messiahship has compiled a number of key articles which are intended to directly combat errant ideas that circulate here and there within sectors of the Messianic community Common claims that are issued against Yeshua being the Divine Savior and Yeshua being the Messiah are directly responded to with poignant observations and exegetical detail If you have been in a situation where a rogue individual you have encountered makes a statement or two against who Yeshua is as communicated to us in the Holy Scriptures then this publication should serve as some useful ammunition against those claims The most frequent statements that one will hear which are made against Yeshua's Divinity and Messiahship are directly confronted and responded to Scripture and Theology Tomas Bokedal, Ludger Jansen, Michael Borowski, 2023-08-21 The academic disciplines of Biblical Studies and Systematic Theology were long closely linked to one another However in the modern period they became gradually separated which led to increasing subject specialization but also to a lamentable lacuna within the various branches of Divinity As the lack of dialogue between Biblical Studies and the various theological disciplines increased a minority group of scholars in the past few decades reacted and sought to re-establish the time honoured bonds between the disciplines The present volume is part of this intellectual response with contributions from scholars of various professional and denominational backgrounds Together the book's 25 chapters seek to reinvigorate the crucial cross disciplinary dialogue involving biblical narrative

historical systematic theological and philosophic theological perspectives The book opens the horizon to contemporary research and fills a lamentable research gap with a number of fresh contributions from scholars in the respective sub disciplines
