Conjectures of a Guilty Bystander Thomas Merton,1968-01-09 In this series of notes opinions experiences and reflections Thomas Merton examines some of the most urgent questions of our age With his characteristic forcefulness and candor he brings the reader face to face with such provocative and controversial issues as the death of God politics modern life and values and racial strife issues that are as relevant today as they were fifty years ago **Conjectures of a Guilty Bystander** is Merton at his best detached but not unpassionate humorous yet sensitive at all times alive and searching with a gift for language which has made him one of the most widely read and influential spiritual writers of our time **Creation as Sacrament** John Chryssavgis,2019-06-27 John Chryssavgis explores the sacred dimension of the natural environment and the significance of creation in the rich theological history and spiritual classics of the Orthodox Church through the lens of its unique ascetical liturgical and mystical experience The global ecological crisis affecting humanity s air water and land as well as the planet s flora and fauna has resulted in manifest fissures on the image of God in creation Chryssavgis examines from an Orthodox Christian perspective the possibility of restoring that shattered image through the sacramental lenses of cosmic transfiguration cosmic interconnection and cosmic reconciliation The viewpoints of early theologians and contemporary thinkers are extensively explored from a theological and spiritual perspective including countering those who deny that God s creation is in crisis Presenting a worldview advanced and championed by the Orthodox Church in the modern world this book encourages personal and societal transformation in making ethical and economic choices that respect creation as sacrament

And God Created Wholeness Edwin E. Olson,2018 *The Pilgrim's Compass* Paul H. Lang,2019-02-19 As we make our way into the twenty first century many Christians are looking for an expression of discipleship that speaks meaningfully to our time a faith yearning that is at once personally intimate and relevant and that grows out of and nurtures authentic Christian community *The Pilgrim s Compass* shepherds readers through a metaphorical pilgrimage to consider one s life a journey for faith formation Using this book as a guide to help Christians consider their journey as they walk through the four stages of intentional faithfulness disciples will encounter God wrestle with God be wounded as will God and be reborn as a new person with a new name *The Pilgrim s Compass* encourages individuals to embrace the ancient practice of pilgrimage both as metaphor for the daily walk of discipleship and as an intentional journey of faith which uses prayerful travel to assist an inner transformation

Light of Setting Suns Richard L. Morgan,2021-03-01 At age 60 Dr Richard Morgan wrote *No Wrinkles on the Soul* as he faced the unknowns of aging and felt the need for a book to help himself and others navigate its challenges especially the spiritual ones Now 91 Morgan still faces many unknowns and once again has written a book that describes how it feels to be old and encourages others in the same stage of life The years have taken a toll on my body he writes but my mind and spirit are still young *Light of Setting Suns* contains stories of people age 90 and beyond who have remained vital and spiritually alive including the author s own experiences Morgan shows how to discover wellness even in

years of decline and how these years may be unexpectedly rich and meaningful This book shows readers that even at an advanced age they still have the opportunity to shine with the Spirit **Sacred Time** Christine Valters Paintner, 2021-02-19 We live in a world where there never seems to be enough time for all we want and need to do In *Sacred Time Embracing an Intentional Way of Life* Christine Valters Paintner guides us as we move beyond our own lives and embrace a world that urges us toward rest reflection and growth In *Sacred Time* Paintner abbess of the online Abbey of the Arts shows us how by becoming in tune with the rhythms of the natural world we can live more intentionally and experience a conversion toward a more expansive way of being Paintner introduces us to the eight cycles of sacred time that exist in our everyday lives These cycles that can ground us through our busy lives are breath rhythms of the day weekly rhythms and Sabbath rest waxing and waning lunar cycles seasons of the year seasons of a lifetime ancestral time and cosmic time Each cycle encourages us to mindfully consider the time that passes as quickly as each breath and as slowly as the passing of generations Within each cycle we find wisdom from sacred tradition and the saints including St Benedict St Ignatius of Loyola and St Hildegard of Bingen room for growth and the presence of the Divine Along the way we are also given scriptural guidance and we are invited to spiritual practices and creative explorations that will help deepen our understanding of each cycle allow that understanding to take root in our lives and expand our lives beyond the pressures of each day *This Monastic Moment* John W. de Gruchy, 2021-10-30 Kairos refers to moments in chronological time when all hell is breaking loose and we are called to change our ways before we are dragged into the abyss Kairos is apocalyptic time and it is here and now Such is the time in which we need to listen again to St Benedict of Nursia Far too many of us Christians have either been seduced by the false values of the age and the spirit of Christian triumphalism or else have been attracted to gnostic forms of spirituality that provide a means of escape from reality and responsibility Any delay in responding to this kairos moment increases the danger that we fail to change our ways and grasp the opportunity God gives us to receive the coming kingdom in greater fullness now So St Benedict __een hundred years a_er he wrote his Rule continues to tell us to listen wake up and run while there is still light _is is a time for both contemplation and action prayer and doing justice a time for mystics and prophets to join hands and hearts for the sake of the world From the Prologue *An Oasis in Time* Marilyn Paul, 2017-08-22 There is a surprising way out of the frenzy that always being behind feeling and the endless to do list Now more than ever people are seeking a reprieve from the constant pressure to achieve produce and consume While many turn to sporadic bouts of mindfulness and meditation organizational change specialist Marilyn Paul offers a complementary solution that is as radical as it is ancient In her new book *An Oasis in Time* Paul focuses on the profound benefits of taking a modern day Sabbath each week for deep rest and nourishing renewal The energy perspective creativity sense of well being and yes increased productivity that ensue are lifesaving Drawing on Sabbath tradition contemporary research and interviews with scores of busy people Paul shows that it is possible to introduce these practices regardless of your religious beliefs Starting with just
