

# LOGICAL CONSEQUENCES

Logical consequences are consequences for actions that are reasonable, respectful, and related to the action. They may be natural or imposed by an authority figure.

## THREE R'S

- **Reasonable:** Consequences should be balanced with the misbehavior.
- **Respectful:** It is important for disciplinarians to use a respectful tone of voice when delivering the consequences.
- **Related:** Consequences should be directly connected to the offending act.

## EXAMPLES

- A student repeatedly forgets to bring their homework, so the teacher makes the student do their homework during lunch break.
- A student uses their phone during class, so the teacher confiscates the phone until the end of the day.
