*The Awesome Writing Prompts Journal for Kids* Kirsten du Toit, 2020-05-16 Great writing prompt journal for kids between the 3rd and 5th grade Perhaps you have a child who loves writing and wants to develop their skills Or perhaps your child is a reluctant writer who needs to practice writing essays and stories to keep up with their peers Whatever the case may be you'll find this journal

filled with writing prompts is perfect for improving children's imagination, creativity, reading skills, vocabulary, and comprehension. The writing prompts in this book are ideal for children in the 2nd, 3rd, 4th, and 5th grade, but older students will also enjoy the interesting topics and fun story starters. This is an ideal book for parents looking for a way to extend their child at home. What's more, the finished journal makes a fantastic keepsake. If you homeschool or tutor a child, this is a great way to get their creative juices flowing. Teachers will love this brilliant book of prompts with a topic for every occasion. You'll never run out of creative writing ideas and interesting story starters. This book is a great gift for aspiring writers. Here are a few examples of great prompts in the book: You blow out your birthday candles and make a wish. Immediately the wish comes true. What did you wish for? What happens? Your dad is a scientist. One of his top secret projects is to bring the dinosaurs back to life. He's brought a baby dinosaur home from the lab. How do you look after it? What type of transportation will people have in the future? A strange little door appears in your bedroom. You can squeeze through the door if you try. What do you find on the other side? Writing prompts include interesting story starters but also would you rather questions like would you rather be able to fly or be incredibly strong and persuasive essay topics to improve debating skills.

**Story Starters for Little Kids**

**EBOOK: Children's Literature and Computer Based Teaching** Len Unsworth, Angela Thomas, Alyson Simpson, Jennifer Asha, 2005-06-16. This stellar book extends teachers' thinking well beyond book spaces and into digital spaces by offering theorized approaches to analyzing children's literature across media and careful descriptions of effective learning activities that are rich in detail and practical advice. This book and its digital spaces is an indispensable guide to engaging with children's literature and new digital media. Michele Knobel, Montclair State University, USA. The book overall is exciting, informative, and practical, outlining important theoretical perspectives and ideas while also providing much wisdom and advice to teachers about how to transform their literary programs. Frances Christie, Emeritus Professor of Language and Literacy Education, University of Melbourne, and Honorary Professor of Education, University of Sydney, Australia. This book connects classroom teaching of children's literature with the digital age. It celebrates the charm of children's literature and its role in literacy development, as well as the appeal of information and communications technology (ICT) to students and its capacity to enrich students' learning and enjoyment of literary texts. The authors outline the ways in which children's literature is developing new dimensions, for example, the republication of children's books on CD-ROM and the world wide web. Web resources for working with literary texts, including e-mail discussion groups, children's participation in the collaborative construction of online narratives. The book provides practical guidance for teachers who are inexperienced with ICT. It describes and discusses implementation of activities that extend traditional approaches to literary texts and take

advantage of available technology      50 Writing Prompts for Kids Creativity Builders,2020-09-03 Inspiring questions that make writing fun Journaling is a great way to work on a child s confidence and self esteem by encouraging creativity reflection and communication skills The carefully selected questions in this journal help your child express their ideas and expand their skills Each writing prompt is complemented by a drawing space and a fun doodle or illustration Designed for the emerging writer grades 1 3 Encourages writing practice with questions kids actually want to write about Large drawing area that allows more creative expression Friendly for left handed kids Page on the left can be used to draw write Fun and cute illustrations that engage but do not limit child s own original thoughts Wide lined paper with midline which helps kids practice correct letter formation and spacing The Details Glossy cover Size 8 5 x 11 21 59 x 27 94 cm Designed in USA by mother of two young kids Check out our other titles in the Creativity Builders Author Page      *50 Creative Writing Prompts for Kids* Tiny Dreams Publishing,2020-11-20 This book contains 50 fun and creative questions and prompts to boost your child s imagination power Putting those ideas in words will further enhance the child s writing skills and ability to create engaging and coherent essays or write ups Best suited for kids in Grades 1 to 3 The book has wide dotted and lined pages for kids to write down neatly and practice handwriting too along with giving wings to their creativity The large size of the book will make it easier for kids to write down their thoughts      80 Sensational Headline Writing Prompts Andrew Kaplan,2001-10 Encourage your students enthusiasm for creative writing Using the dozens of funny kid pleasing headline style prompts found in this book students of all learning styles will be motivated to join in the classroom writing process Kids will have a ball putting their imaginations in gear to create their own fresh and fabulous stories You ll enjoy the ease of the fully reproducible format For use with Grades 3 6      **Stimulating Story Writing!** Simon Brownhill,2015-10-16 Stimulating Story Writing Inspiring Children aged 7 11 offers innovative and exciting ways to inspire children to want to create stories and develop their story writing skills This practical guide offers comprehensive and informed support for professionals to effectively engage child authors in stimulating story writing activity Packed full of story ideas resource suggestions and practical activities the book explores various ways professionals can help children to develop the six key elements of story these being character setting plot conflict resolution and ending All of the ideas in the book are designed to complement and enrich existing writing provision in classrooms with strategies such as role play the use of different technologies and using simple open ended resources as story stimuli Separated into two sections and with reference to the Key Stage 2 curricula this timely new text provides professionals with tried and tested strategies and ideas that can be used with immediate effect Chapters include Creating Characters The Plot Thickens Inspired Ideas Resourcing the Story Stimulation This timely new text is the perfect guide for inspiring children aged 7 11 in the classroom and will be an essential resource for teachers and students on teacher training courses      Let's Write about It Shanetta Oliver,2018-12-21 Creative journal for kids to use their imagination and improve their writing skills Great gift for the reluctant writer or the excited writer who has run out of ideas

a meaningful way Without this these fantastic resources lose their value This book helps teachers to make the most of these devices in the primary classroom It offers guidance on how to use tablets to devise meaningful learning activities embed them in genuine curriculum contexts drawing upon case studies from existing practice It is written for non specialists and explains technical terms in an accessible practical way Each chapter begins with a case study contributed by a teacher using tablets in schools Real life examples and comments like this give the text a truly practical focus The book s Pinterest board includes the apps mentioned in the book as well as a handy infographic for a snapshot guide on starting off your tablet teaching journey A note from the authors The use of technology in schools continues to evolve rapidly as new devices and tools become available and the adoption of mobile devices such as iPads and tablets has been a particularly exciting development in recent years The benefits offered by these technologies such as their portability connectivity accessibility and range of media present new challenges and opportunities for teaching and learning As the take up of tablets gathers pace in our schools there is a need for advice on the best approaches and apps to help achieve successful learning outcomes Teachers need to find meaningful ways to integrate the devices into their own practice and to evaluate which of the many thousands of educational apps might be appropriate for their pupils This book considers how iPads and tablets can be used to enhance teaching and learning in primary schools It is especially relevant in the light of the computing curriculum which puts a new emphasis on children as makers and creators of digital content Across other curriculum subjects too the introduction of mobile devices that can be quickly and reliably accessed has precipitated a shift in practice For example they have enabled teachers and children to spontaneously pursue lines of inquiry to connect collaborate and publish in many different ways and to use their digital skills to enhance their exploration of the physical world outside the classroom With these opportunities in mind we offer anecdotes from the classroom and examples of how tablets might be embedded within current pedagogy and practice as a natural learning tool Each chapter combines a practical case study with discussion of related pedagogy and recommends apps to support a personalised inclusive and active approach to teaching and learning
