An aerial photograph of a city at dusk. In the foreground, a large, white, multi-story building with many windows is prominent. Behind it, the city extends to the horizon, with a tall, dark tower visible in the distance. The sky is a mix of purple, blue, and orange, suggesting sunset or sunrise.

linking the central file to retail food stores or they can be generated by program participants using a specially issued plastic card which could be inserted into special terminals at the food store Possible benefits of the EBT system include a notable reduction in fraud and abuse a streamlining of the delivery system reduction of administrative error and reduced program operating costs wz     *Application of Accelerators in Research and Industry* ,1996     **Bedford's Tech Edge** ,2002-07
