Constitutional Conflicts Between:

Constitutional Conflicts between Congress and the President Louis Fisher, 2014-08-19 Over three decades after its initial publication Louis Fisher's durable classic remains at the head of its class a book that Congressional Quarterly called as close to being indispensable as anything published in this field This newly revised sixth edition emphatically reinforces that sterling reputation Fisher dissects the crucial constitutional disputes between the executive and legislative branches of government from the Constitutional Convention through President Clinton's impeachment battles to the recent controversies over President Bush's conduct as commander in chief He ventures beyond traditional discussions of Supreme Court decisions to examine the day to day working relationships between the president and Congress By analyzing a mixture of judicial pronouncements executive acts and legislative debates Fisher pinpoints the critical areas of legislative executive tension appointment powers investigatory powers legislative and executive vetoes the budgetary process and war powers He then examines these areas of tension within a concrete political and historical context To scholars this book offers a comprehensive examination of the institutions and issues of public law For practitioners general readers and students of American government it demonstrates how constitutional issues shape and define current events The new edition covers for the first time Obama's military decisions in Afghanistan and Iraq Military operations against Libya in 2011 Threatened attacks on Syria in 2013 Efforts to close Guantanamo Obama's recess appointments during a pro forma session Fast and Furious scandal Holder's contempt and Obama's executive privilege The growth of presidential czars Executive branch secrecy and lack of accountability State Secrets Privilege after 9/11 Distinguishing between implied powers constitutional and inherent powers not constitutional Pocket vetoes and the growth of hybrid vetoes New developments in the President's removal power

The Jurisprudence of Constitutional Conflict in the European Union Ana Bobić, 2022 A comparative and comprehensive account of the jurisprudence of constitutional conflict between the Court of Justice and national courts with the power of constitutional review This monograph addresses the incidences of and reasons for constitutional clashes in the application and enforcement of EU law It aims to determine how the principle of primacy of EU law works in reality and whether the jurisprudence of the courts under analysis supports this concept To this end the book explores the three areas of constitutional conflict ultra vires review identity review and fundamental rights review The book substantiates the descriptive and strengthens the normative contributions of the theory of constitutional pluralism in relation to the web of relations in the European judicial space By examining the influence that the jurisprudence of constitutional conflict has on the balance of powers between the Court of Justice and constitutional courts the volume develops the judicial triangle as an analytical tool that depicts the consequences for the horizontal constitutional courts vis vis the Court of Justice and vertical judicial relationships Court of Justice vis vis ordinary national courts constitutional courts vis vis ordinary national courts By offering a thorough compilation of the jurisprudence of constitutional conflict in the EU The Jurisprudence of Constitutional
