## **Comeback Churches How 300 Churches Turned Around And Yours Can Too:**

Comeback Churches Ed Stetzer, Mike Dodson, 2007-05-01 Research shows that over time most churches plateau and then eventually decline. Typically they start strong and experience periods of growth then stagnate and lose members. Since 1991 the North American population has increased by 15 percent while the number of unchurched people has increased by 92 percent. Large church houses that were filled in the 1950s and 60s now hold a fraction of their capacity. To counter this trend authors Ed Stetzer and Mike Dodson surveyed 300 churches from across ten different denominations that recently achieved healthy evangelistic growth after a significant season of decline. What they have discovered is an exciting method of congregation reinvigoration that is shared in the new book entitled *Comeback Churches*. Endorsements As a successful pastor church planter researcher and advisor to thousands of churches Ed Stetzer speaks from a wealth of experience with all kinds of churches. Now in one volume your church can benefit from his wisdom. This book is a winner. Dr Rick Warren author of *The Purpose Driven Life* and *The Purpose Driven Church* First and foremost it is biblical. Second it is well researched. And third it is immensely practical and applicable this book should be in the hands of hundreds of thousands of pastors staff and church leaders. Simply stated it is just that good. Thom S Rainer author of *Simple Church* president CEO of Lifeway Christian Resources. Finally a book of practical advice that is based on research I have seen it both ways endless research with little advice or much advice with little facts. This book strikes the balance with perfection. Elmer Towns Dean of Liberty University. This is the most helpful practical book on church revitalization I've read this century. Leonard Sweet Drew Theological School George Fox University. *Comeback Churches* is more than a pep talk. It's rooted in the right stuff to bring a congregation out of the dismal into the vital. Jack W Hayford President International Foursquare Churches Chancellor The King's College and Seminary. No one to my knowledge has done the hard research presented the facts and offered such sound advice as Ed Stetzer and Mike Dodson. *Comeback Churches* is the number one book on turning around declining and plateauing church ministry. Gary L McIntosh D Min Ph D Biola University. A refreshing book by authors who know how to make research exciting and instructional. Leaders and members of non growing evangelical churches should read this book it wouldn't hurt mainliners either. Bill Easum Easum Bandy Associates

*Reconnect Your Church* David Brown, 2023-02-16 *Reconnect Your Church* provides a practical road tested vision and process to equip church leaders to reinvigorate their church. How can churches stay healthy and dynamic over the long term? What's needed to avoid or reverse church stagnation and decline? While some churches are vibrant and growing many more are struggling especially after Covid. The congregation might be declining and ageing there's little success in reaching out to with the gospel and more time is spent on inward facing problems than loving God and loving others. But the potential that could be released is huge. David Brown draws on his experience revitalising a church in central Paris to offer a vision and a process for church revitalisation with a focus on UK and European contexts. Whether you are church planting in a well established and thriving church or looking to turn around a

church in decline Brown provides biblically grounded wisdom along with change management principles for long term health When we reapply God s priorities to the church we unleash new life and energy in following Christ in community Replant Darrin Patrick,Mark DeVine,2014-05-01 Grow Where You re Replanted Today s spiritual landscape is littered with churches on their last legs forcing us to reconsider how we keep the Body of Christ alive and strong The solution according to visionary pastors Darrin Patrick and Mark DeVine is to infuse new blood into the body and by seeking God s presence and guidance Avoiding cookie cutter steps or how to formulas Replant describes the story of a church resurrection a story that offers a multitude of divinely inspired and practical possibilities for church planters The result is a harvest of inspiring ideas on how to inspire new church growth Discover a new openness to churches merging with other congregations changing leadership and harvesting fresh spiritual fruit inviting us all to re think how churches not only survive but thrive
