Commentaries on Amos Matthew Henry, 2015-12-11 Matthew Henry was a Nonconformist minister and author best known for his extensive commentaries on the Bible which were published in the early 18th century shortly before his death

Amos Matthew Henry, 2015-06-26 Matthew Henry 1662 1714 was a British Non Conformist minister and author Henry's commentaries are primarily exegetical dealing with the scripture text as presented with his prime intention being explanation for practical and devotional purposes While not being a work of textual research for which Henry recommended Matthew Poole's *Synopsis Criticorum* Henry's *Exposition* gives the result of a critical account of the original as of his time with practical application It was considered sensible and stylish a commentary for devotional purposes Famous evangelical Protestant preachers such as George Whitefield and Charles Spurgeon used and heartily commended the work with Whitefield reading it through four times the last time on his knees Spurgeon stated Every minister ought to read it entirely and carefully through once at least Perhaps his best known quotation is about the relationship between men and women from the story of the creation of Eve in the Book of Genesis the woman was made of a rib out of the side of Adam not made out of his head to rule over him nor out of his feet to be trampled upon by him but out of his side to be equal with him under his arm to be protected and near his heart to be beloved

Ministry Makeover Rosario Picardo, 2015-02-16 *Ministry Makeover* examines the decline within the church especially the United Methodist Church UMC and some causes for this decline It calls for a reforming of United Methodist structure and polity by drawing more attention to the value of the bi vocational model of ministry and a re visitation of the Wesleyan United Brethren view and historical perspective This book establishes a solid theological foundation upon which to build this shift and it goes a step beyond typical ecclesiology the study of the church to identify Trinitarian theology as the basis for the practice of the church In turn this text reveals bi vocational ministry and support of new congregations as not only a viable option but also arguably the model towards which the church is heading These insights will transform the church and lead to more effective church ministry with respect to resources structure and reach in a post Christendom world context Picardo uses Embrace Church Lexington KY as a case study and incorporates his experiences into this text in order to show how these implications have played out in a true bi vocational church plant context

Das Amosbuch als epische Erzählung im dramatischen Modus Alessandro G. K. Casagrande, 2023-07-07 Seit den 1970er Jahren ist die Forschung verstärkt an der Endgestalt der Prophetenbücher interessiert Dabei hat die methodische Ausdifferenzierung zu dramen und erzähltheoretischen Zugängen geführt Abseits loser Vergleiche zum Drama und eklektischer Rückgriffe auf Erzähltheorien wurden diese Zugänge aber noch nicht auf das Amosbuch angewandt Daher integriert Alessandro G K Casagrande im Anschluss an die Literaturwissenschaft dramentheoretische Aspekte in einen erzähltheoretischen Zugang um das Amosbuch als epische Erzählung im dramatischen Modus zu plausibilisieren und zu analysieren Dabei legt er nicht nur einen begründeten Zugang zum Buch vor sondern führt auch die Eigenheiten zentraler
