ETHELBERT WILLIAM BULLINGER

# Commentary On Revelation Or The Apocalypse

**Ethelbert William Bullinger**

## **Commentary On Revelation Or The Apocalypse:**

**Commentary on Revelation** Ethelbert Bullinger,2007-03-01 With a surprising number of people professing a belief that we are living in the Biblical End Times this lively 1902 deconstruction of the Book of Revelation is even more relevant than ever Analyzing the final chapters of the Bible on a verse by verse basis and finding much to be contentious about particularly when it comes to other interpretations of the book Bullinger reveals a powerful devotional way to approach Revelation British clergyman ETHELBERT WILLIAM BULLINGER 1837 1913 was one of the most respected Bible scholars of the 19th century He is author of numerous works including Great Cloud of Witnesses and How to Enjoy the Bible *Commentary on Revelation* Ethelbert William Bullinger,2017-04-12 This edition of Commentary on Revelation contains the original tables so that readers may comprehend fully the explanations of the author E W Bullinger s commentaries on the Bible are rightfully renowned He remains a much consulted source on the Book of Revelation which has long been considered one of the most unusual and difficult to interpret portions of the New Testament Many Christians find the text impenetrable as its insights are hidden behind cryptic passages A determined Biblical scholar and lifelong clergyman E W Bullinger spent decades poring through the ancient texts of Christianity He attempts to make even the most difficult passages shrouded in nuance and unusual phrasing clear for ordinary believers to understand He commonly uses letters and lists to better arrange and explain the text and on occasion uses columned tables to properly present and align information This book is divided into specific chapters each of which corresponds to a set of passages event or vision which took place in the Book of Revelation Bullinger looks at each passage in sequence and presents a clear explanation which sits well with the Biblical canon References to chapters and verse are bracketed and readers may also follow along by having a copy of the New Testament to hand during readings Those who read the Bullinger commentaries often feel a sense of enlightenment and demystification Although usually acquainted with the Holy Bible from childhood many Christians spend their lives not realizing the true depth and meaning behind the more difficult books of the Bible E W Bullinger believed that any Christian not merely scholars or member of the priesthood could and should grasp the Word of God to the fullest Although controversial and even condemned as blasphemous when he was alive for some of his theological views E W Bullinger s labors to explain the Bible are mostly well received by modern readers Few scholars of the mysterious texts of the Bible present theses as thorough tenacious and well argued as Bullinger s It is for this reason that his accounts supported by voluminous research are appreciated to this day

**Commentary on Revelation** E. W. Bullinger, Written in a verse by verse style Bullinger devotes major discussion to key problems contained in Revelation *Commentary on Revelation, Or the Apocalypse* E. W. Bullinger,2012-12 2012 Reprint of 1909 Revised and Corrected Edition Exact facsimile of the original edition not reproduced with Optical Recognition Software E W Bullinger was a prolific writer This title is a verse by verse commentary on the book of Revelation Throughout Bullinger keeps his attention on both the immediate context of a verse and the remote contexts of the rest of Scripture He frequently

addresses other views and explains why he believes them to be poor understandings of the text Bullinger provides countless footnotes with additional research providing readers the opportunity for further exploration

**Commentary on Revelation** E. W. Bullinger,2018-03 **The Apocalypse** Robert H. Smith,2011-11-14 The year 1998 marked the

quincentennial of the publication of Albrecht Durer's illustrated edition of the Apocalypse Here Robert Smith provides an introduction to and a commentary on the book of Revelation that is keyed to the Durer woodcuts

**Revelation** Judith Kovacs,Christopher Rowland,2008-04-15 This ground breaking commentary on The Revelation to John the Apocalypse reveals

its far reaching influence on society and culture and its impact on the church through the ages Explores the far reaching influence of the Apocalypse on society and culture Shows the book's impact on the Christian church through the ages Looks

at interpretations of the Apocalypse by theologians ranging from Augustine to late twentieth century liberation theologians

Considers the book's effects on writers artists musicians political figures visionaries and others including Dante Hildegard of Bingen Milton Newton the English Civil war radicals Turner Blake Handel and Franz Schmidt Provides access to material not readily available elsewhere Will appeal to students and scholars across a wide range of disciplines as well as to general readers More information about this series is available from the Blackwell Bible Commentaries website at <http://www.biblicomm.net>

**Apocalypse** Pablo Richard,2009-05-01 The Book of Revelation has always been a mysterious and intriguing book describing in symbolic terms the confrontation between the Disciples of Christ and the powers political and supernatural that hold sway over the current age Fundamentalists have been attracted to the book and have sought to decipher its strange symbols as coded prophecy of future events But as Pablo Richard shows in Apocalypse the most powerful readings of the Book of Revelation are through the eyes of the oppressed living out their Christian faith in the context of the modern empire It is they who identify most strongly with Revelation's ultimate message of hope and life in the midst of death and persecution Apocalypse first provides a general introduction to the reading of Revelation by examining three keys for its understanding the historical the sociological and the literary structural The book then goes on to explore the whole of the Book of Revelation following the book's own structure Each section provides a line by line reading of the text establishing the literal meaning before applying the interpretive keys already established

**The Revelation to John** Stephen S. Smalley,2012-07-05 Stephen S Smalley demonstrates the fruitfulness of reading John's Apocalypse like a two act drama with a marked sevenfold patterning His theological and literary analysis of the Greek text puts Revelation squarely in the hands of contemporary readers demonstrating its power to transcend barriers of culture and history Now in paperback **Latin Commentaries on Revelation** Victorinus of Petovium,,Apriugius of Beja,,Caesarius of Arles,,Bede the Venerable,2011-11-04 In this volume of the Ancient Christian Texts series William Weinrich renders a particular service to readers interested in ancient commentary on the Apocalypse by drawing together significant Latin commentaries from Victorinus of Petovium Caesarius of Arles Apriugius of Beja and Bede the Venerable

**Commentary on the Apocalypse** Andrew (Archbishop of

Caesarea.),2011-12-12 The early seventh century Roman Empire saw plague civil war famine and catastrophic barbarian invasions Eschatological fervour ran high as people were convinced that the end of the world was near Within this climate the most important Greek commentary on the Apocalypse was composed by Andrew Archbishop of Caesarea Cappadocia In 611 Andrew of Caesarea applied his superior exegetical skills to the challenging Book of Revelation and concluded that the end was not near in spite of the crises that the Empire was facing Striking a balance between the symbolic language of the book and its literal prophetic fulfilment Andrew's interpretation is a remarkably intelligent spiritual and thoughtful commentary that encouraged the pursuit of virtue and confidence in the love of God for humanity Standing in the stream of patristic tradition Andrew wove together pre existing written and oral interpretations of Revelation passages by earlier Fathers and anonymous teachers drawing together various interpretive strands and pointing to a previously unknown rich tradition of Apocalypse interpretation in the Greek East His commentary also influenced the textual transmission of the Apocalypse and created a unique text type Andrew's commentary quickly eclipsed that of Oikoumenios to become the predominant and standard patristic commentary for the Greek East as well as the Slavic Armenian and Georgian Churches Andrew influenced Eastern Christian eschatology and is responsible for the eventual acceptance of Revelation into the canon of the Oriental and Eastern Orthodox Churches This volume offers the first translation of this important commentary into any modern language

*Tales of the End* David L. Barr,1998 This provocative new book invites us to forget all we have heard about the meaning of the Book of Revelation Instead David Barr shows us ways to give this familiar text a fresh new reading If we can think of the right questions to ask the text and listen without prejudice there are new things we can learn The questions David Barr asks the Book of Revelation are about stories how they are told whom they are about what they consist of where they go His commentary written with little technical vocabulary provides the knowledge and detail needed to make a fresh reading of the story ourselves

*Commentary on the Revelation of St. John, on the Apocalypse, etc* Robert Bransby COOPER,1833

*The Book of Revelation* G. K. Beale,1999 This monumental new study of the book of Revelation part of The New International Greek Testament Commentary will be especially helpful to scholars pastors students and others who wish to interpret the Apocalypse for the benefit of the church

**Jeanne Guyon's Apocalyptic Universe** Jeanne de la Mothe

Guyon,2019-03-14 In seventeenth century France Jeanne Guyon 1648 1717 writes about the suffering of the apocalypse followed by the consummation of the second coming Guyon believed that in our earthly pilgrimage we may find the way to union with our Savior Jesus Christ To read her commentary on Revelation translated into English here for the first time is to be caught up in her conversation with the living Lord We experience the wonder and passion of this conversation which is her authenticity at its highest level As Guyon expresses her love to Jesus Christ the words carry the attentive reader into the heart of God while deepening our own interior being In her commentary on Revelation Guyon interprets Jesus Christ's grace needed for living faithfully during the time of suffering in the apocalypse before the advent of the new heaven and new earth

in which believers experience eternal union with God Guyon writes It is your universal reign that I desire O God and about which I am passionate So come Lord Jesus Let the grace of the Lord Jesus prepare us all for the second coming Amen

**The Face of the Deep** Christina Georgina Rossetti, 1892     **Commentary on the Apocalypse** St. Victorinus, commentary on the Book of Revelation written by St Victorinus Bishop of Petau and Martyr It is from the Ante Nicene Fathers Vol 7 Originally written in the latter part of the 3rd century All his works have disappeared except the extracts from his commentaries on Genesis and the Apocalypse if indeed these texts are really a remnant of his works concerning which opinions differ Do you want to know what the early Church believed about the Revelation then this is a good example of their belief     *A Brief Commentary on the Apocalypse* Sylvester Bliss, 1853     **A Commentary on the Apocalypse** Moses

Stuart, 2024-07-09     **The Apocalypse or "The Day of the Lord"** E. W. Bullinger, 1909 Also known as Commentary on Revelation Originally published in 1902 it was revised and corrected for the second edition in 1909 E W Bullinger was a great Bible expositor 1837 1913 and author of several other books such as Figures of Speech Used in the Bible Numbers in Scripture and Witness in the Stars Contains a detailed analysis of the entire book of Revelation from a dispensational point of view This edition has the best formatting and has British spelling of words converted to American spelling Therefore it is copyrighted
