Commitment My Autobiography:

Commitment Didier Drogba,2015-11-19 The story of one of the most recognisable and successful players in world football Didier Drogba is renowned for his heading ability sharp shooting and sheer strength He has played for his native Ivory Coast and for clubs in France China and Turkey but it is as a Chelsea striker that he is best known His feats with Chelsea have made him a cult hero among supporters In Didier Drogba s honest and revealing autobiography he will talk about life as an immigrant in Paris the importance of his education and how finding success later than most professional footballers has kept him grounded In 2012 Didier was voted Chelsea s greatest ever player He talks from a privileged behind the scenes position about tactics and how he felt mentally and physically as well as anecdotes from the dressing room Didier provides unique insight into important and controversial matches from the first trophy he won with them in 2005 to the Premier League title a decade later as well as what persuaded him to stay when he was at his lowest ebb Away from football Drogba has been widely applauded for his involvement in trying to broker peace in the Ivorian civil war he is a UN Goodwill Ambassador and does a huge amount of work with the Didier Drogba Foundation Time magazine named him one of the world s 100 most influential people Go behind the scenes at Stamford Bridge and find out about life on and off the field for this humble Chelsea hero *Didier Drogba* Didier Drogba,2009-08 Didier Drogba is one of the most talented and also most unpredictable players in English football Brought to Chelsea by Jose Mourinho after success with Marseille in France he quickly became one of the most lethal strikers in the Premiership and helped Chelsea to the highest success But then Mourinho whom Drogba idolised and whose Foreword reveals the admiration is mutual departed and the revolving door of managers that followed saw Drogba disaffected injured left out of the side and the nadir sent off in the 2008 Champions League final But now under the new coach Guus Hiddink he is fit again and scoring high pressure goals and a match for any defence Characteristically Drogba first published his autobiography in French and not for him the empty succession of clich s about a great bunch of lads and a game of ninety minutes This is a story of growing up in West Africa then an unsettling emigration to France and a rise to the highest echelon of football there before Chelsea s money came beckoning It is a controversial book Drogba found Chelsea in his first months a thoroughly unwelcoming and lonely place and about much more than football in his native Ivory Coast Drogba is a hero and even something of a political campaigner for whom peace and prosperity there is more important than any football bauble Didier Drogba plays for Chelsea and the Ivory Coast

However this Bible has also left a trail of pain. Controversial bishop and champion of liberal Christianity John Shelby Spong explores those passages that have been used to justify oppression, violence, discrimination against women and homosexuals and murder. As he exposes and challenges what he calls the terrible texts of the Bible, laying bare the evil done in the name of God, he also seeks to redeem them, hoping to recover their ultimate depth and purpose. As Spong battles against the way the Bible has been used throughout history, he provides a new framework for interpretation, explaining how the Bible's overall good news overcomes these terrible texts and delivering a fresh, inspiring message of how Christians can use the Bible today. John Shelby Spong was the Episcopal Bishop of Newark before his retirement in 2000. As a visiting lecturer at Harvard and at universities and churches throughout North America and the English speaking world, he is one of the leading spokespersons for liberal Christianity. His books include *A New Christianity for a New World*, *Rescuing the Bible from Fundamentalism*, *Resurrection: Myth or Reality*, *Why Christianity Must Change or Die*, and his autobiography *Here I Stand*. A valuable modernist manifesto for progressive readers seeking a response to the conservative theology dominating the news these days. *Boston Globe*
