

The Common Core Assessment Record Book

The student record pages are designed to simplify the assessment of student proficiencies throughout the year.

Record the date of each assessment. One row is allotted for each quarter of the year.

Record individual proficiencies on each date. Print the page if you are keeping all recordings together.

Develop student data with short notes on progress and focus. Coordinate notes with assessment dates by writing a different color for each new data point and note.

Record student names across the top of the page. Use these names to write numbers to indicate student mastery of the record book with the student during parent-teacher conferences.
