Dragons Love Words Brett Fowler, 2015-12-11 Finally A Fun Rhyming Book with Common Core Sight Words Dragons Love Words is a super fun story about cute Dragons learning how to read in school. We have included the 100 kindergarten Common Core Sight Words highlighted to make teaching young readers a snap. The adventure began with a girl and a boy. Her name was Rosie and his name was Troy. Rosie had just found an old worn out book. Then she opened it slowly to take a good look. What is that? Troy asked. What do you have there? Come on let me see. I am sure you can share. It is a book about a land not too far away. Where you can find dragons in school and at play. Dragons in school Troy said. How absurd. But it says on page one that dragons love words. Reading and writing can be so much fun and dragons learn words to get the job done. If we go now and follow this map we will be back in time to eat our afternoon snack. Your kids will love learning how to read with the help of the Sweet Dragons and you will have fun reading it with them.

We include the 100 high frequency words that make almost 50 percent of everything that we read as adults having a bank of high frequency words is essential to building fluent reading skills. As students begin to read and build their sight word knowledge, they will build a bank of known vocabulary words that will aid them in beginning to read and spell. Boxes are used to help students come to understand that words can be recognized by the shapes of their letters as they contain small, tall, or hanging letters. Color graphic organizers and a comprehension quiz are included. All of our content meets the Common Core State Standards and are written to Bloom's Taxonomy.
