that investigates the intricate dynamics of youths social and recreational use of digital media *Hanging Out Messing Around and Geeking Out* fills this gap reporting on an ambitious three year ethnographic investigation into how young people are living and learning with new media in varied settings at home in after school programs and in online spaces Integrating twenty three case studies which include Harry Potter podcasting video game playing music sharing and online romantic breakups in a unique collaborative authorship style *Hanging Out Messing Around and Geeking Out* is distinctive for its combination of in depth description of specific group dynamics with conceptual analysis *Hanging Out, Messing Around, and Geeking Out, Tenth Anniversary Edition* Mizuko Ito, Sonja Baumer, Matteo Bittanti, Danah Boyd, Rachel Cody, 2019-09-24

The tenth anniversary edition of a foundational text in digital media and learning examining new media practices that range from podcasting to online romantic breakups *Hanging Out Messing Around and Geeking Out* first published in 2009 has become a foundational text in the field of digital media and learning Reporting on an ambitious three year ethnographic investigation into how young people live and learn with new media in varied settings at home in after school programs and in online spaces it presents a flexible and useful framework for understanding the ways that young people engage with and through online platforms hanging out messing around and geeking out otherwise known as HOMAGO Integrating twenty three case studies which include Harry Potter podcasting video game playing music sharing and online romantic breakups in a unique collaborative authorship style *Hanging Out Messing Around and Geeking Out* combines in depth descriptions of specific group dynamics with conceptual analysis Since its original publication digital learning labs in libraries and museums around the country have been designed around the HOMAGO mode and educators have created HOMAGO guidebooks and toolkits This tenth anniversary edition features a new introduction by Mizuko Ito and Heather Horst that discusses how digital youth culture evolved in the intervening decade and looks at how HOMAGO has been put into practice This book was written as a collaborative effort by members of the Digital Youth Project a three year research effort funded by the John D and Catherine T MacArthur Foundation and conducted at the University of California Berkeley and the University of Southern California *Cultural Adaptation Flow* Rafael Montero, AI, 2025-04-07

Cultural Adaptation Flow explores the complex journey of LGBTQ comics as they cross cultural boundaries focusing on how these narratives are translated localized and interpreted for diverse audiences This goes beyond simple linguistic translation delving into the negotiation of cultural norms societal values and political sensitivities Intriguingly the book reveals how the adaptation process involves maintaining artistic integrity while ensuring cultural appropriateness a delicate balance that can either foster understanding or incite controversy The book uniquely frames cultural adaptation as a dynamic flow emphasizing the ongoing negotiation of meanings rather than a static transfer It begins by establishing key concepts from cultural studies queer theory and translation studies It then progresses through case studies analyzing specific LGBTQ comics in different cultural contexts drawing on textual analysis and interviews with translators and readers Finally it synthesizes these findings to offer a

broader understanding of the challenges and ethical considerations involved making connections to fields like sociology gender studies and linguistics The book s approach highlights the significant social impact of translated media and the construction of gender and sexual identities across cultures
