Twitter Trending S Ebook:

Media Independence James Bennett, Niki Strange, 2014-11-20 Media independence is central to the organization make up working practices and output of media systems across the globe Often stemming from western notions of individual and political freedoms independence has informed the development of media across a range of platforms from the freedom of the press as the fourth estate and the rise of Hollywood s Independent studios and Independent television in Britain through to the importance of Indy labels in music and gaming and the increasing importance of independence of voice in citizen journalism Media independence for many therefore has come to mean working with freedom from state control or interference from monopoly from market forces as well as freedom to report comment create and document without fear of persecution However far from a stable concept that informs all media systems the notion of media independence has long been contested forming a crucial tension point in the regulation shape size and role of the media around the globe Contributors including David Hesmondhalgh Gholam Khiabany Jos van Dijck Hector Postigo Anthony Fung Stuart Allan and Geoff King demonstrate how the notion of independence has remained paramount but contested in ideals of what the media is for how it should be regulated what it should produce and what working within it should be like They address questions of economics labor relations production cultures ideologies and social functions

El ecosistema del libro electrónico universitario CORDÓN GARCÍA, José Antonio, GÓMEZ DÍAZ, Raquel, ALONSO ARÉVALO, Julio, ALONSO BERROCAL, José Luis, 2014-05-20 Se trata de un estudio que cuenta con tres partes claramente diferenciadas Una primera parte en la que se ha desarrollado un investigación sobre la edición electrónica universitaria en el ámbito internacional con objeto de conocer las principales tendencias y experiencias que se están desarrollando en los diferentes países del mundo así como las implicaciones futuras que las mismas pueden tener en la producción distribución y recepción de las obras académicas universitarias Una segunda parte con un estudio de campo en el que se han abordado varios aspectos que el grupo entiende que están directamente implicados en la edición universitaria En primer lugar un análisis de las características de la información disponible en sus páginas web desde la más formal como puede ser la existencia de referencias a los servicios desde las páginas principales de la universidad o de un directorio de personal en las páginas específicas de los servicios a los más estructurales como los sistemas de biblioteca la edición electrónica o las características de la difusión En segundo lugar se ha efectuado un análisis de la presencia de los servicios de bibliotecas universitarias en las redes sociales Twitter y Facebook habida cuenta de la importancia cada vez mayor que estos cobran para una adecuada visibilidad de los mismos Y en tercer lugar se ha desarrollado una investigación sobre la presencia de las obras universitarias en las bibliografías recomendadas de los profesores y sobre las características de los servicios de bibliografías recomendadas que también cuentan cada vez con mayor incidencia en las opciones de consulta y compra de materiales por parte de los universitarios
