Mcdonald,2025-11-11 Boyhood in the Digital Age recognizes that digital spaces serve two roles they open doors to new ways of learning connecting with others and expressing creativity But they also expose young people to new risks including harmful ideas about what it means to be a man This book offers practical insights for anyone who wants to help boys and young men thrive online while avoiding the pitfalls that can harm them and others Systems from Hell David A.

Rocheft,2024-12-01 This book approaches contemporary fiction as a medium for policy advocacy one whose narrative devices both link it to and distinguish it from other forms of public discourse Using the framework of political agenda setting David A Rocheft analyzes the rhetorical function of problem definition played by literary works when they document and characterize social issues while sounding the call for systemic reform Focusing on a group of noteworthy realist novels by American authors over the past twenty years this study maintains that fictional narrative is a potentially influential instrument of empathic policy argument The book closes by examining the agenda setting dynamics through which a social problem novel can contribute to the process of policy change *The Joy of Bootstrap* Alan Forbes,2015-12-11 B W EDITION
