You were plopped down on this big, beautiful planet with a whole bunch of natural abilities, desires, and I'm just going to say it: magical powers. Maybe you've known you were a witch for awhile, or maybe you are brand new to this whole witchcraft thing. Many witches find that they are a unique combination of these types, and this versatility will allow them to explore a variety of magical paths throughout their lives. You change, so will your witchcraft. That's why this book includes exercises to pinpoint what kind of magic you gravitate toward by looking at things like where you live, what you do for fun, and even what TV shows you watch. There's also a section with simple spells created to show you what kind of witch you are using magical tools like tarot cards, candle magic, and crystal magic.
